Runoffs Needed in Commissioner, Governor, Other State Office Races

In what may have been the heaviest vote ever recorded in some precincts, Randall County's Democrats turned out to nominate candidates for party, county and state offices Saturday. Runoff races were indicated for two county offices and three for state offices. The second Democratic primary will be Aug. 25 and absentee voting will begin Monday. Run off elections will be held between W. A. (Bill) Wilson and B. E. (Bailie) McCormick for commissioner of Precinct 1, and between Ted B. Springer and Porter L. Oakes for state representative for the 94th Flotorial District.

In the state offices, Price Daniel and Ralph Yarborough will slug it out for the governor's chair, A. M. Aikin Jr. and Ben Ramsey will set to for the lieutenant governor's post, and Will Wilson and Tom Moore will vie for the office of attorney general.

Although only 4,795 voters turned out in the entire county, the total vote outside South Amarillo came close to 100 per cent of the poll taxes issued in the nine precincts. In Precinct 1, for instance, 1016 votes were registered and 1030 poll tax receipts were issued.

In all the precincts outside South Amarillo, there were 1,925 votes registered with 2,166 poll taxes. The number of poll taxes issued does not indicate the total number of eligible voters, however, as over-age exemption certificates are not required for voters who live outside cities of 10,000 population.

In South Amarillo there are 5,407 voters with poll tax receipts, but only 2,655 turned out for the election—less than 50 per cent.

Indicative of the heavy vote in the county outside Amarillo, J. Evetts Haley, Canyon candidate for governor, led the other candidates. By adding in the South Amarillo boxes, Haley ran second with Price Daniel leading.

Randall County did not follow the rest of the state in the other state office races. In the lieutenant governor's race, Ben Ramsey led with John Lee Smith second. Wilson led Moore in the attorney general's contest.

In the local races, Avent Lair beat Walter P. Wolfram just under two to one for the office of criminal district attorney. Lair's vote was 2,953 to 1,644 for Wolfram.

Bill Money gained heavy vote in South Amarillo to retain the office of tax assessor-collector. Money's total was 2,619 to 1,914 for O. O. Henry, his opponent.

Incumbent Pat Baber came out third in the three-way race for commissioner of Precinct 1. Wilson led with 593 votes, McCormick second with 518 and Baber third with 401.

Glenn Dowlen, inadvertently left off the ballot in the Fairview voting precinct, polled 74 votes in the other voting box in commissioners Precinct 3 to retain the office. He was unopposed.

Sheriff L. S. Johnston, unopposed for re-election, polled 4,176 votes over the county.

Jack Taylor regained the office of chairman of the County Democratic Executive Committee. He won by a vote of 2,464 to 1,869 over George L. Blackwell. One write-in vote was registered in Precinct 1 for Ted Reid.

In the race for state representative of District 94-F, Oakes led in the county by a vote of 1,451. Springer was second with 1,422. S. M. Castleberry ran third with 925 votes and Glen Hatfield Jr. fourth with 697 votes.

Grady Hazlewood won hands down over his three opponents for state senator from this district. He gained 3,431 votes to 748 for Lonnie Smith, 344 for Bill Craig and 144 for Jim Crow.

Total vote by precincts was Precinct 1, 1,016; 2, 57; 3, 90; 4, 31;

Taylor and Sons Establish Heavy Lead in Junior Softball League

Taylor and Sons held a definite lead in the Junior Softball League following their win over Bellahs in the second game Thursday night.

In the first game, Sternenberg batters collected seven hits off Jerry Richardson as Fosters team was defeated by a score of 10-5. Green, W. Moore and R. Byrd accounted for six hits and six runs to aid their teammates in the victory, while Kister, Pennington, D. Fleming and Weddington hit safely for the losers.

Pitt also hit safely once in three official times at bat for the winners.

The game brought Fosters record to three wins against four losses, while Sternenbergs has four victories and four defeats.

In the second game, Taylor and Sons continued their winning ways by defeating a strong Bellah team 11-1 to bring their string of victories to six with only a single defeat.

Outstanding hitters for the winners were Nester and G. Prichard —Nester with a single and a home-run in two official times at bat and Prichard, the league's leading hitter, with a single and a double in two trips to the plate.

Bellah's Jimmy Glenn looked good in holding the winners to six hits, but gave up seven walks in three innings to the league-leading Taylor and Sons team.

Hawkins hit one for two, Cole one for two and Glen two for two for the losers.

In addition to hits by Prichard and Nester, Gray and Cook hit safely for the winners.

In the first game Monday night, Taylor-Evans, fielding a strong team, brought their win record to three straight as they defeated Coopers by a score of 16-2.

The winner collected 10 hits off Henry while Thompson and Clay gave up only two.

For Taylor-Evans, Begert hit two for three; Wear two for two and Thompson two for two. McBride, Clay, Sheets and Brotherton also hit safely.

Cornette and Camp collected hits for Coopers.

In the second game of the night, a pair of homeruns each by Mike Pool and Jackie Breitling, plus a big 13-run inning, helped give Bellah's a 25-8 victory over Sternenbergs.

The game also marked new records in several categories: The greatest number of runs in one inning, 13; the most homeruns by one team in a single game, 4; the highest score by a team, 25.

Sternenbergs looked strong for three innings and trailed by only two runs, 7-9, but fell behind after allowing Bellahs eight hits and the 13 runs in the fifth inning.

For the losers, Pitt hit one for one, Dorris two for four, Bergan one for four and Gibson one for two.

Rogers hit one for one, Breitling two for five, Pool three for four, Rice three for five, Platt four for five, Glenn two for four and Hawkins one for four for the winners.

Sternenbergs gave up 16 hits, 25 runs and eight walks while Bellahs allowed five hits, eight runs and 11 walks.

The lead for batting champion switched again between Jerry Richardson of Fosters and George Prichard of Taylor and Sons. Prichard regained the lead as he hit two for two to bring his percentage to .650 and Richardson was none for one to drop his percentage to .578, still respectable.

Thursday's games will be Fosters vs Taylor-Evans and Coopers vs Taylor and Sons. Monday's will be Sternenbergs vs Coopers and Taylor-Evans vs Taylor and Sons.

Team standings are:

Team	W	L
Taylor and Sons	6	1
Fosters	3	4
Coopers	3	4
Taylor-Evans	3	4
Bellahs	4	5
Sternenbergs	4	5

Lively Canyon Night Life

The second annual Lions Club Carnival held Friday and Saturday nights netted some $250 to go toward lighting a softball field in Conner Park. An additional $350 in gross receipts went toward paying for permanent equipment for the carnival. Capacity crowds at the carnival, especially on election night, accounted for the high receipts.

Start Music Camp Sunday

A full contingent of Panhandle high school musicians will enroll here Sunday for the fourth annual West Texas Music Camp, slated for two weeks on the West Texas State College campus. A capacity group of 320 will be on hand to start classes in band, choir and twirling.

Enrollment was limited this year because of housing facilities, and because M. J. Newman, camp director, wanted students to receive maximum instruction and individ-

(Con't. on Back Page Section 1)

Year's Building Totals $446,480

Eleven additional building permits issued in Canyon during July brought the year's building total to $446,480.

The July permits were for buildings totaling $33,915. Included were six residences.

Permits issued were:

C. F. Allen, 908 Ninth Ave., residence, $2,500, July 10.

Odell G. Miller, 300 14th St., garage, $500, July 11.

Win R. Matsler, 2618 Second Ave., move in residence, $6,000, July 13.

Win R. Matsler, 2111 Second Ave., move in residence, $6,000, July 13.

Jeff Wallace, 1402 Eighth Ave., residence, $7,500, July 20.

Marvin Salmon, 2102 Seventh Ave., move in garage, $400, July 21.

J. P. Hammons, 1307 Eighth Ave., residence, $7,500, July 23.

Bertie Strain, 104 16th St., addition, $250, July 26.

Edna Duncan, 1908 Third Ave., garage apartment, $500, July 27.

Charles C. Graham, 509 Eighth, move in residence, $2,200, July 30.

Roy Engle, 2521 Seventh Ave., garage, $925, July 31.

Rites Held for Mrs. Cleavinger

Rites to the memory of Mrs. Ellen Ruth Cleavinger were conducted at 3 p. m. Tuesday in the First Presbyterian Church by the Rev. T. Winston Wilbanks, pastor.

Pallbearers were John Miller, Bill Cleavinger, James Cleavinger, David Miller, Ronald Cleavinger and Orville Cleavinger. Burial was in Dreamland Cemetery under the direction of Warren-LaGrone Funeral Chapel.

Mrs. Cleavinger, 82, died Sunday afternoon in Neblett Hospital where she had been a patient for three weeks.

Born Aug. 13, 1873, at Bristol, Tenn., Mrs. Cleavinger was married Jan. 1, 1895, in Potter, Kan. Her husband, M. E. Cleavinger, died four years ago.

Mr. and Mrs. Cleavinger moved to Canyon in 1927 from Springlake, where they had lived since coming from Kansas in 1910. They lived at 2100 Fifth Ave. in Canyon.

Mrs. Cleavinger was a member of the First Presbyterian Church.

Survivors include a daughter, Mrs. W. E. Miller, Canyon; five sons, E. R. Cleavinger, Canyon, Norman and M. E. Cleavinger Jr., both of Dimmitt, Jesse Cleavinger, Alhambra, Calif., and Gene Cleavinger, Norwalk, Calif.; two brothers, Tom Hall, Manhattan, Kan., and Richard Hall, Goodwell, Okla.; 19 grandchildren and 17 great-grandchildren.

Expect New Well Use This Week

City water well No. 5 is expected to go into service the latter part of this week, City Secretary Andrew Boggs said Tuesday.

Workmen of the Peerless Pump Division, Plainview, were busy switching the pump in well No. 7 to well No. 5. A new pump will be put into well No. 7.

The Plainview company was awarded the contract for providing the new pump and switching the old one on a low bid of $7,973. Six bids were received on the project.

The city's water supply dropped sharply during June when well No. 7 began to fail and leveled off at some 250 gallons a minute. The city commission decided to put well No. 5 into service by switching the 500 gallons a minute pump from No. 7 to No. 5, and purchasing a new, smaller pump for No. 7.

Rites Held Here For McKee Victim

Final rites for M. W. Slagle, victim of the disastrous fire Sunday at the McKee Shamrock plant near Dumas, were conducted Tuesday morning in Warren-LaGrone Funeral Chapel by the Rev. S. M. Dunnam of the Dumas Methodist Church.

Pallbearers were members of the Canyon Volunteer Fire Department, B. H. Gough, C. E. Thompson, Johnny McBroom, W. M. Thompson, Paul Lindsey and Jack Jennings. Burial was in Dreamland Cemetery.

Mr. Slagle, son-in-law of Mrs. A. W. Harding of Canyon, was a Dumas volunteer fireman. He was killed in the explosion of a storage tank at the plant fire.

An employe of the North Plains Telephone Company, Mr. Slagle was a trouble shooter and test boardman. He had been an employe of the company for about a year and previously had worked for Southwestern Bell Telephone Company for about 14 years.

He was born June 27, 1923, in Alvord. Mr. Slagle was a scoutmaster and president of the Dumas Methodist Church choir. He had been a member of the Dumas fire department for about six months.

Survivors include his wife, the former Cheri Kilchriste; two children, Jennifer Michele, 8, and Michael Wayne, 6; his parents, the Rev. and Mrs. George R. Slagle, Dallas; one brother, R. G. Slagle, San Angelo; and two sisters, Mrs. T. E. Allison, Grand Prairie, and Mrs. J. H. Dennis, Thornton, Okla.

Grand Jury Checks Spring Panty Raid

The Randall County Grand Jury studied the May panty raid at West Texas State College during a meeting Monday and issued a statement concerning its findings.

The grand jury also returned five indictments, for burglary, rape, removal of mortgaged property, child desertion and swindling by worthless check.

The statement issued by the grand jury follows:

"The Grand Jury has investigated the raid made on the girls dormitory at W. T. State College and is considering taking action to discourage the possibility of a recurrence of the incident. It has heard a complete report from state, county and college authorities and is satisfied that proper disciplinary action has been instituted; however, the Grand Jury intends to fully explore all courses open to insure that participants in future incidents will not only be dismissed from the college but also will be prosecuted to the fullest extent that the law allows."

Services Slated For F. L. Brown

Funeral services were to be conducted at 2:30 p. m. today in Warren-LaGrone Funeral Chapel for Fletcher Lewis Brown. The Rev. J. R. Sharp, retired Presbyterian minister, was to be in charge.

Burial was to be in Dreamland Cemetery.

Mr. Brown, 69, died Monday in his home on First Avenue. He had been a resident of Canyon for three years.

A retired lumberman, Mr. Brown was born Sept. 2, 1886, in Waxahachie.

Survivors include two brothers, Dr. H. A. Brown Sr., Canyon, and E. Walter Brown, Tulia.

Y.A.W. Begins Monday Night

Youth Activities Week will begin Monday, August 6, at the First Methodist Church. Programs of worship services, speakers, and recreation will continue through Friday, August 10, when there will be a special worship service to close the week.

A light supper will be served at 6:30 each night by the women of the church. The sessions will close by 9:15.

All youth of Canyon, high school and college, are invited to attend this week of worship and fellowship and enjoy the food at the Methodist Church.

Church of Christ Plans Meeting

Floyd Moore of Plainview will conduct a gospel meeting at the Church of Christ at 17th Street and Second Avenue, which begins August 5 and will continue through August 12.

Daily services will begin at 7:30 p. m. The Sunday morning service will begin at 10:30 a. m.

The church has issued an invitation for everyone to attend the services.

Drama Tour Set For WT Group

The performance of Julie Harris, one of the nation's most acclaimed actresses, in "The Lark," will highlight activities for a group from West Texas State College who will go to Central City, Colo., for the annual "Week end of Drama" tour Aug. 11-13.

A number of reservations on the tour are now available to the general public, according to Dr. Ples Harper, tour director. Cost of the trip, to be made on a chartered air-conditioned bus, and for lodging and tickets to the Central City Theatre is nominal, he said. Reservations may be made through Dr. Harper or Dr. Crannell Tolliver, head of the WT Speech department.

The group will leave Canyon and Amarillo Aug. 11, arriving in Denver in time to attend a performance at the Elitch Gardens playhouse.

Bank Day Award Jumps to $160

Another week with no Canyon Bank Day winner brought the total account to $160. The money will be given away Saturday. At 3 p. m., the winning name will be announced in participating stores. If that person is present, the entire sum will be awarded.

End of a Store

Shoppers roamed the aisles of Taylor and Sons Country Store, billed as the Largest Country Store in Texas, for the last time Saturday. The store building is being vacated to make way for the Canyon-Amarillo expressway. Taylor and Sons No. 2 will open soon with the grocery line of the store, while the lumber business will continue in the same location. The firm was established in 1938.

County Orders 3 Condemnations

Three condemnation suits were ordered and eight pieces of right of way needed for the Canyon-Amarillo expressway were purchased Monday afternoon in a meeting of the Randall County Commissioners Court.

The commission also authorized Sheriff L. S. Johnston to hire a bookkeeper for the sheriff's office. Hugh Porterfield, owner of Great Plains Seed Company on the highway near Amarillo, requested the court to hire a night deputy for South Amarillo, but no action was taken on the matter.

Condemnation suits were ordered against D. C. Schroeder, Mrs. Kate Parker and C. E. Wilson. A. C. Youngblood and Lanham Nelson of Big State Auction Associates, right of way agents for the county, said they had been unable to reach an agreement with any of those landowners.

Youngblood said Mrs. Parker had requested a condemnation suit. He said he had offered $1,000 for a 101x90 foot strip from a vacant 300x90 lot, but Mrs. Parker would not accept the offer nor set what price she wanted. He said she told him that she wanted a condemnation suit.

The right of way agents told the commissioners they had offered $1,022 to Schroeder for .228 of an acre and for moving signs and a front yard fence. They showed the commissioners a letter from Schroeder in which he asked for $9,089. Nelson said they had been unable to agree on a figure.

Nelson and Youngblood said they had offered $6,900 to Wilson for moving two tanks, a driveway, for well house damage, yard damage and for purchase of a building. They said Wilson told them the offer was only "half enough."

The eight parcels of land approved one portion of extra right of way requested by the highway engineers to provide a traffic interchange at the section line road north of Canyon by Palo Duro Creek.

The purchase was from V. K. McKaskill for .23 of an acre.

Other purchases approved were from Dorothy Ray Miller, Ray Fisher, Van H. Allm, H. G. Strickland, J. A. Pfeiffer, Byan Eaton and J. B. Lowe.

Porterfield appeared before the commission with two requests and a letter. He requested a night deputy sheriff for South Amarillo, that the right of way around a field he owns be mowed so he can grow hybrid maize seed and gave the commissioners a letter in reply to a letter written by Big State Auction in regard to expressway right of way.

In support of his request for a night deputy, Porterfield said, "We have lost $3,000 in the last two months." He said burglars have taken property valued at $3,000 from the Estate Life Insurance building, $300 from the Chain Link Fence Company and $700 from Porterfield.

He said he had three breakins and once the burglars "even took the electric line to a well."

Sheriff Johnston told the commissioners that a night deputy in South Amarillo is "a good idea." However, he added, "One man's not going to stop it (the burglaries)."

The sheriff said he felt the department needed another deputy for night duty in South Amarillo and possibly another for the rest of the county. He said that only one man in South Amarillo would not stop the burglaries. He said the extra man might help cut down the number, however.

Commissioner Clarence Beckman told Porterfield that he felt that extra policemen was not the right answer to stopping burglaries and thefts. "We're working on it, but I think we're working on the wrong end," he said.

Beckman said he felt that it is the "fellows who are buying this stuff we should be working on." He cited several instances of farmers losing young calves and said he felt they had been sold in auction rings in the area which do not require positive proof of ownership.

In his letter, Porterfield told the commissioners he would not be able to accept or reject an offer for property he owns that is needed for right of way until he has

Views and Comments

Unsuccessful in his campaign to close beer joints along North East Eighth on Sundays, Thomas Hazard Thompson, styled Turnstile, has now turned his attention on the north Randall County line with a view toward changing it or erasing it.

May you have your usual good fortune, Turnstile. We'll be watching with interest. However, before you get in too deep, it might be well for you to check with those businesses and citizens who are moving and have moved to Randall County and find their reasons.

Mayhap you'll find it is because the businesses and citizens prefer to be in Randall County.

☆ ☆ ☆

Potter County has gone into debt to provide certain facilities demanded by the citizens of Potter County—namely the Tri-State Fair grounds and Northwest Texas Hospital.

Tri-State Fair, held annually during the early fall, is, at bottom, only a stunt to bring trade into Amarillo. It's billed as a gesture of good will, the place for the Panhandle to show off, and a lot of other things. But it is a gimmick to draw customers from the area into Amarillo, pure and simple.

Northwest Texas Hospital, operating daily at more than capacity, is unable to pay its own way. Something is wrong with the hospital. The rates charged are too low, the management is not competent enough or the hospital itself is too inefficient. It could be those reasons, other reasons or a combination.

At any rate, Northwest Texas Hospital and the Tri-State Fair facilities are costing the taxpayers of Potter County, and some think that because the taxpayers of Randall County aren't putting in some money, too, they are getting a "free ride."

That's an odd situation.

Apply it here at home. Say, for instance, that Tom Black decided to conduct an extensive remodeling of his store. After he finished making his store over, he put in a line of fancy clothes and other goods in order to attract more customers.

And say that the new store did attract more customers. Among those attracted was Riley Troth from the drug store next door. And say that Riley did right by Tom and his store.

However, Tom's remodeling and his new line of clothes put him down in the red, and he was unable to meet operating expenses. The only way he could think of to get more money was to get it from Riley's drugstore.

Disregarding the fact that Riley was a good customer, Tom proceeded to find a way to get part of Riley's profit to take care of his loss. No longer was Tom in the hole in his store, but also no longer was Riley able to buy from Tom.

☆ ☆ ☆

That's probably over-simplification of the problem, but that's what Thomas Hazard Thompson's desire to annex a portion of Randall County springs from.

(I wonder how he'd like to have the tax rate raised on his cabin in the Palo Duro Club?)

★ ★ ★

There was more night life in downtown Canyon Friday and Saturday nights than I have seen since I moved here exactly a year ago. From what I saw, I'd say that most everyone who came down enjoyed it.

An electric feeling of relaxed enjoyment came from the Lions Carnival. The Saturday night crowd in front of the election returns board was heartening.

The way people turned out to use and enjoy the carnival shows that there is definitely a need for occasional activities that will include all the townspeople. And the interest shown by watching the election results shows that people are really still interested in what is going on around them.

Congratulations to the Lions Club for putting on the carnival. Proceeds from the carnival this year were earmarked to help pay for lights for a ball field in the city park.

Clarence Eugene Thompson, president of the club, said Monday morning that they didn't know how successful the carnival was in the way of net profit to go to the ball park, but he did believe the gross profit angle was a pure success.

He explained that expenses of the carnival were high this year because the club invested quite a bit of money in permanent-type improvements for future carnivals. The fronts for the booths were built for permanent use, the dunking board was built of solid, permanent materials, and considerable money was put into prizes.

Thompson said that the same crowd next year would produce considerable more net profit for charitable works.

But the carnival itself is a charitable work.

★ ★ ★

Incidentally, I was dunked 32 times Saturday afternoon, and that ought to be enough water for any anti-Presley individual. Huh?

★ ★ ★

Hang on to your Confederate money, boys, the South will rise again. Yessir, them Yankees haven't been able to hold out even a hundred years.

There was a time when them Yankees wouldn't part with any money for pensions for Confederate veterans of the Civil War (the war them Yankees call the War Between the States). But here the other day, the Yankee President okayed a bill providing medals for the four veterans of the war who are still living.

Three of them are Confederates — William A. Lundy, Laurel Hill, Fla.; John Salling, Slant, Va.; and Walter Williams, Franklin, Texas. The Yankee is Albert Woolson, Duluth, Minn.

The next thing you know, them Yankees will look the other way, and we'll get a Southerner for President, and won't that be something.

★ ★ ★

Well, as might be expected, the Texas Supreme Court kowtowed three times in the general direction of Washington and upheld by 6-3 a closed shop contract between the unions and the Santa Fe Railway in the Amarillo case that pended some sort of action for so long while on the state supreme court docket.

The majority judges in the ruling noted that their decision paralleled the U. S. Supreme Court ruling in the Nebraska right to work case. The Texas judges said that union shops do not "compel full union membership, but only payment of union dues and assessments."

No, I don't suppose that union shops require that workers attend union meetings. That's the only thing left between full membership and non-membership after you pay dues and assessments.

Who did you vote for in the state supreme court race last Saturday?—BC

Patricia Bates Goes to Alaska

Patricia Joan Bates, Tulsa, Okla., who has been a church assistant in the First Presbyterian Church of Canyon, for two years, will become office secretary at Haines House in Haines, Alaska, on Sept. 1.

One of more than 3,600 projects administered by the Board of National Missions of the Presbyterian Church, U. S. A., Haines House is a home for about 35 Alaskan children in need of families. The children receive individual care in the mission home, attend the public school, and participate in the Presbyterian Church and other community functions in Haines.

Miss Bates graduated from Will Rogers High School in Tulsa in 1950, received her B.A. in religion in 1954 from the University of Tulsa and has studied education at West Texas State College in Canyon during the last two years.

Miss Bates has been active in Presbyterian youth activities at Yale Avenue Presbyterian Church in Tulsa and on the campus of the University of Tulsa.

Secretary of Defense Wilson deplored as a "most unfortunate business" the intensified interservice rivalries that were afflicting the armed forces.

I GIVE YOU TEXAS

By BOYCE HOUSE

We are really being pushed around.

It used to be that you could buy collars in quarter-sizes. Now the shirt collars are in half sizes so, if you have 15¾ neck, you can have your choice between a 16, which is too loose, or a 15½, which chokes you. Personally, I hope the shirt manufacturers choke.

And now men's under-garments are made in "approximate" sizes, such as 38-40 which of course is neither 38 nor 40. Soon it will be like shoes in the Army; they came in two sizes: "too big" and "too little."

We've let the suit-makers rob us of the vest. It was a serviceable garment, adding a layer of protective warmth when you were outdoors on a chill day and providing a comfortable garment indoors for work after a man had shed his coat.

Also, in these vestless days, a fellow can no longer derive that feeling of importance that could be attained by thrusting one's thumbs into the vest armholes and rearing back. You can get the same effect from suspenders, it is true—but nobody wears them any more, either.

When William Jennings Bryan delivered his magnificent "Cross of Gold" speeches before the Democratic national convention in 1896, friends wanted to have the nominating session held immediately, instead of the next day. "The effect of your speech will wear off," they said. Bryan replied, "if it can't last a day, then it does not deserve consideration; it is a long, hard campaign ahead."

A good many years ago when your columnist was a reporter on the Fort Worth Star-Telegram, with the courthouse as my "beat," a woman entered the district attorney's office in a state of indignation. She related that she had parked her car at the curb and when she came out, a car was double-parked. She honked and the driver of the other auto thumbed his nose. "I want him arrested," she said. An official asked, "On what Charge?" She replied, "Indecent language!" (He hadn't said a word.)

I wrote up the little incident and papers all over the country published it. A lawyer in New York City wrote that she was right—or would be in that State as he lost a case involving that very point.

There are those who think the louder one talks the more accurate he is.

NEWS LETTER

FROM CONGRESSMAN WALTER ROGERS OF THE 18TH CONGRESSIONAL DISTRICT

The Public Debt Continues to Soar

On June 22, 1956, the Executive Office of the President, Bureau of the Budget, in answer to a question propounded by a Member of the Congress concerning the public debt situation, gave out some very interesting information.

The information being that at the end of fiscal year 1952 the national debt was 259 billion dollars. That interest on such debt was 5.9 billion dollars. This means that the American taxpayers at that time were paying, in interest alone, the staggering sum of approximately 16 million dollars every day.

This, however, is not the whole story. Because during the fiscal years since 1952 the debt has continued to move upward. At one time it moved upward to the highest point it has ever reached in the history of this nation. So high, in fact, that the Congress had to pass legislation to authorize the Secretary of the Treasury to put this country into debt over and above the legal debt ceiling.

I cast my vote against granting the Secretary of the Treasury such authority. Incidentally, he still has that authority and will, no doubt, use it as soon as tax collections begin to fall off. Because of the peak tax collection period in the spring and early summer, the national debt on June 30th was down some from the record high.

The Bureau of the Budget said it was 274 billions of dollars. That is an increase in the four years from 1952 to 1956 of 15 billions of dollars. This increase of 15 billions of dollars means an additional increase in the interest that has to be paid on the public debt.

This increase in interest is 500 million dollars per year, or the additional sum **each day** of $1,300,000. This means that the taxpayers of this country are now paying over 17 million dollars every day that passes for interest alone on the public debt.

The Secretary of the Treasury has been doing a lot of trumpet blowing lately about balancing the budget, and you will, no doubt, hear a lot more about this in the future. Frankly, the whole fiscal picture is somewhat confusing.

Yours truly was never considered an outstanding genius in the field of mathematics. However, I have employed simple arithmetic in an effort to gain enlightenment, but no matter how I figured it, borrowing more money in order to balance your budget is a very difficult way to get out of debt.

Perhaps this is a new method of financing that will work fine until pay day. The Secretary of the Treasury has been advertised as a very brilliant financier. I am wondering if he has discovered some new scheme of financing that permits the borrowing of money without worrying about having to pay it back. If so, he really is a genius.

Congress Wastes a Week

During these last days of this session, both of the major parties have permitted a complete week to be wasted for the sake of politics. I have reference to the time that has been consumed in the debate on H. R. 627, the mis-named Civil Rights Bill.

The leadership in both parties are grasping and clamoring for the credit of having passed this bill through the House. The bill was written by the Attorney General (lawyer?) Brownell, and has been repeatedly referred to in the debate as the Eisenhower Civil Rights Bill.

Everyone who has read the bill recognizes it for what it really is — a loosely drawn, political Mother Hubbard intended to cover everything and touch nothing. From a Constitutional standpoint it is about as legal as murder with malice aforethought.

The bill itself, coupled with the political gymnastics surrounding its presentation to the House of Representatives, is a reflection on the intelligence of every fair, honest thinking American in this country.

Everyone knows that the bill doesn't have the brightest chance of becoming law. Yet, it is brought before the House of Representatives in its closing days and employed to consume time that should be spent in handling necessary legislation.

As I have always said, our democratic form of government is unquestionably the best government conceived by the mind of man; otherwise, how would it ever stand up against such tomfoolery.

AQUATIC SLINGSHOT—The Navy has a new-method slingshot device, which drags soggy frogmen from the water into fast-moving boats. The secret of the swimmer pick-up assembly is a spring-loaded bungee cord, attached to a boat boom suspended over a rubber boat. As the boat races by, the swimmer grabs onto a snare at the other end of the tensioned cord. The acceleration, stretching the cord, pulls the swimmer into the boat, above. Frogmen can be pulled in at the rate of 25 per minute—2.4 seconds per man. Designed by All American Engineering Co., in cooperation with the Office of Naval Research, the assembly is said to be safer and faster than other methods of retrieving men from the water.

SOIL CONSERVATION DISTRICT NEWS

Joining the Canyon Work Unit Staff from Hereford is conservation aide John D. Burkett.

Burkett has been working for the Soil Conservation Service for 14 years. He is married and has four children. Burkett and his family will move to Canyon as soon as he can find a place.

A son and daughter will go to school at West Texas State, and the other children will go to high school here.

Technicians of the S. C. S. assisting the Randall-Potter S. C. D. have assisted farmers to apply through the A. S. C. program the following practices.

Concrete pipelines have been installed on the following farms; Wayland Angel, Fred Fegel, Sam Whitfield, Charles J. Beckman, George Cope, Leo Foster and Hoyt Crow.

Farms ponds have been installed on the following farms; Bill Wood, Buford Sparks, James W. Spencer and Ben F. Priddy.

John E. Frost has completed about one-half mile of standard terraces.

Concrete boxes at irrigation wells to prevent erosion have been installed on E. A. Stokes and Mack Forrester farms.

STEP DOWN

McGregor: "What's the idea of a band of mourning on your left leg, Jock?"

Jock: "Me mither has passed away."

McGregor: "But why on your leg instead of your sleeve?"

Jock: "She was me stepmither."

The parent who expects to discover how to raise a child successfully by reading books has a lot to learn.

HIS REAL NEED

Canvasser — This book of etiquette will tell you what to do when there seems to be too many knives, forks and spoons on the table.

Householder — No use to me. What I want is one that will tell me what to do when there is too little food on the table.

Things can always be worse. Thirty years from now speeders will crash in the sky and fall on pedestrians.

Married

MRS. DON RICE

☆ ☆ ☆

Slagle-Rice Vows Read in Clovis

Sara Slagle, daughter of Mrs. Ann Slagle, and Don Rice, son of Mrs. Betty Rice of Austin Road and W. S. Rice Sr. of Hereford, were united in marriage July 21 in the First Baptist Church in Clovis, N. M. Rev. Mitchell read the double-ring ceremony.

Mr. and Mrs. William S. Rice Jr. of Hereford were witnesses.

Mr. and Mrs. Rice are at home at 819A 25th Mile Avenue in Hereford.

Alice Simms Is Feted by Coffee

On Thursday evening, July 26, Alice Simms was honored at a coffee in Borger in the home of Mrs. John Ronayne, 510 Bowie.

The honoree's corsage was a white orchid, and the mothers wore white mums, centered with silver.

An arrangement of pink and white asters and greenery sprinkled with silver was placed on the serving table, covered with an Irish linen cutwork cloth. A white miniature car with "Just Married" printed on it played "Bridal Chorus from Lohengrin" during the evening.

Those pouring were Mrs. Curtis Lee and Mrs. E. A. Crabens.

Mrs. J. M. White and Pauline Brigham and Helen White Moore returned Friday from a vacation trip to Wisconsin.

August Wedding Set in Dallas

The Rev. and Mrs. W. E. Peterson of Dallas have announced the engagement of their daughter, Elna Ruth Peterson, to William A. Miller Jr., son of Mr. and Mrs. W. A. Miller of Canyon.

The bride-to-be attended Southern Methodist University where she was a member of Delta Delta Delta sorority and received her degree from McMurry College. At present she is doing work on her masters degree at Texas Tech.

Miller received both his bachelor's and masters degrees from West Texas State College. He was assistant basketball coach at Tech, and is now working on his doctor's degree there.

Plans call for the wedding to be Aug. 23 in the Wesley Methodist Church in Dallas.

Coke Party Fetes Alice Mae Simms

Honored with a Coke party on July 30 was Alice Simms, bride-elect of Jerry Dietz, in the home of Mrs. Betty Ross Howard.

Registering the guests was June Davis, and Mrs. LuEllen White presided at the serving table. Summer flowers decorated the reception rooms.

Hostesses were Mrs. Teddie Poindexter, Mrs. Dorothy Patterson and Mrs. Howard. Around 20 guests were present.

Reading Conclave Ends Thursday

Final sessions of the fourth annual Reading Conference at West Texas State College are slated Wednesday afternoon and Thursday in the Administration Building auditorium. Some 700 persons have been attending the meeting which opened Monday.

Four speakers have outlined techniques and methods of teaching reading in the public schools, from the beginning stages in first grade, through the improvement of skills in the high school.

Three of the visiting instructors will continue conducting lectures and question and answer sessions Wednesday and Thursday.

Appearing are Dr. Arno Jewett, U. S. Office of Education; Dr. Evelyn Thompson, University of Houston; and Bill Martin Jr., St. Louis storyteller and author of children's books. Dr. Paul McKee, Colorado State College of Education, spoke during the first two days of the conference.

Helen Hayes and Bill Piehl Wed

The First Baptist Church at Happy was the scene of the recent wedding of Helen Hayes, daughter of Mrs. Eula Hayes, Tee Anchor Boulevard, Amarillo, and Bill Piehl, son of Mrs. Ellen Piehl of Canyon.

The Rev. C. B. Hogue, pastor, read the double-ring ceremony before an altar backed by white tapers and baskets of white gladioli. Mrs. Clovis Vernon played an organ prelude of nuptial selections and accompanied Almeta Ruthart of Groom who sang "O Promise Me" and "The Lord's Prayer."

The bride, given in marriage by her brother, Steve Hayes of Carlsbad, wore a white satin dress fashioned with a cathedral train, pointed waistline and a small high collar. Her finger-tip veil of white illusion fell from a crown of white pearls. She carried a nosegay of white stephanotis, centered with an orchid.

LaQuita Patterson of Amarillo was maid-of-honor. Her dress was gold crystalline. She carried a nosegay of white chrysanthemums with gold streamers. Bridesmaids Patsy Todd of Tulia and Dorothy Barrett of Olton wore identical dresses of rose crystalline and carried nosegays of white gladioli.

Marsha Canada, cousin of the bride, and Howard Todd, nephew of the bride, lighted the candles. Susan Hayes and Jerry Hayes were ringbearers. The little girls' dresses were of blue crystalline.

Shirley Sheets of Canyon was best man. Jim Owens and Lyndon Sanders were groomsmen and ushers.

For her daughter's wedding, Mrs. Hayes chose a brown dotted nylon dress and wore a corsage of pink carnations. The bridegroom's mother wore a blue dotted swiss dress and a corsage of white carnations.

A reception was held in the church basement following the ceremony. The bride's table was covered with a white cloth over blue. Almeta Ruthart served the tiered wedding cake and Mrs. Pat Cox presided at the punch service. Mrs. James Bible of Wayside registered the guests. Others in the house party included Mrs. H. R. Caraway, Tulia, Mrs. F. E. Culp, Mrs. Morlan McManigal of Happy, and Novella Kirkpatrick of Short Beach, Conn.

The couple left on a short trip to New Mexico following the reception. The bride wore a beige linen dress with a circular skirt and a matching duster of beige linen with panels of embroidered material down the front. The couple is at home at 1618 Madison in Amarillo.

Mrs. Piehl is a graduate of Happy High School and attended West Texas State College. She is employed by McKnight Transfer and Storage Co. in Amarillo. Mr. Piehl is a graduate of Dumas High School and attended West Texas State College. He is employed by Phillips Petroleum Co.

Engaged

JEARLYN PARTRIDGE

Mr. and Mrs. Walter Partridge of Canyon are announcing the engagement and approaching marriage of their daughter, Jearlyn, to Allen Simpson, son of Mr. and Mrs. S. V. Simpson of Borger.

The wedding vows will be read August 24.

Rebekah Lodge Held Meeting on July 25

The Canyon City Rebekah Lodge No. 350 met July 25 in a regular session with Noble Grand Mae Johnson presiding.

Secretary Maye Bonds received a certificate for a perfect report to the general session.

All members are asked to have a part in the collection for Pilgrims' Day which will go for improvements this fall for the homes.

Those present were Mrs. Gladys Pitt, Mrs. Johnson, Mrs. Myrtle Sparks, Mrs. Myrtle Stratton, Mrs. Myrtle Cook, Mrs. Bonds, Mrs. Nora Murphy, Mrs. Mary Weeks and Miss Columbia Redfearn.

The next meeting will be held on August 8.

Mr. and Mrs. Leroy Lowery and daughter, Sharon, of Lubbock visited in the home of Mrs. Marvel Kirbie Tuesday enroute to Amarillo to meet the Livingston twins, their niece and nephew of Iowa.

NOTICE

To My Pet Thieves: I am temporarily out of gasoline at the farm, due to a lack of funds to pay for same. This critical and embarrassing condition having been brought on by a combination of the Eisenhower depression and your wastefulness. The entire situation having been compounded and aggravated somewhat by the past few years of drouth together with a woeful lack of interest and cooperation on the part of my bankers. However I will have a new supply on hand as soon as Mr. Benson pays up, which will probably be a week or 10 days before the November election. When we start in again please don't bring me any more new customers as I have more now than I can take care of, and please don't ask me to clean your windshield, as I draw the line there. One thing I can say is that I haven't any I.W.W. (Information, Wind and Water) Customers as they are always after gas when they come to me. After all petty thievery has become a part of our way of life and we had just as well learn to live with it. The Lord giveth and IKE and the thieves taketh away. Blessed be the name of the Lord. George Schaeffer. 17p1

Umbarger 4-H Club Presents Projects

The Edgetown Home Demonstration Club met last Thursday with Mrs. Kenneth Clark. The Umbarger 4-H Club girls accompanied by their sponsor and co-sponsor, Mrs. Alvin Friemel and Mrs. Max Hoffman, gave the program.

Dresses were modeled by Virginia Friemel, Mary Hoffman, Beatrice Wieck, Peggy Albracht, Rita May Howard, Deanna Stocker, and Anita Fischbacher.

"Quick Bread" was demonstrated by Virginia Friemel while Anita Fischbacher demonstrated scoring cookies. Deanna Stocker gave a report on her trip to College Station as "Gold Star Girl" chosen from her club to attend the 4-H Round-Up.

New officers for the Edgetown club were elected after the program. President is Mrs. K. E. Hines; vice president, Mrs. Pat Stevens; secretary-treasurer, Mrs. Joann Hicks; reporter, Mrs. Myrtle Sparks; yearbook chairman, Mrs. E. Gidden and devotions chairman, Mrs. Billie Sorgee.

A surprise pink and blue shower was given for Mrs. Mary Donnell. Those present were Mrs. Donnell, Mrs. J. C. Curb, Mrs. Sorgee, Mrs. Hicks, Mrs. Hines, Mrs. Maude Walters, Mrs. Sparks and Mrs. Myrtle Stratton.

Proposed Constitutional Amendments

To Be Voted on at an Election To Be Held On Nov. 6, 1956

SENATE JOINT RESOLUTION NO. 2 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to change the membership of the Veterans' Land Board; so that the total amount of bonds or obligations that may be issued by the Veterans' Land Board shall be increased to Two Hundred Million Dollars ($200,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veterans' Land Board, which shall be composed of the Commissioner of the General Land Office, and two citizens of the State who shall be appointed by the Governor with the advice and consent of the Senate. The Governor shall biennially appoint one such member to serve for a term of four years, with the initial appointments to the Board under this section to be for terms of two and four years, respectively, and all subsequent appointments to be according to provisions of this section. One such appointive member shall be well versed in veterans' affairs and the other such appointive member shall be well versed in finances. The Commissioner of the General Land Office shall act as Chairman of the Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as may be now or hereafter provided by law. The compensation for said appointive members shall be as fixed by the Legislature, and each shall make bond in such amount as may be prescribed by the Legislature. The Veterans' Land Board may issue not to exceed Two Hundred Million Dollars ($200,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas, in such form, denominations, and upon the terms as are now provided by law or as may hereafter be provided by law; provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum, and that the same shall be sold for not less than par value and accrued interest.

"In the sale of any such bonds, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds; such bonds to be issued as needed, in the opinion of the Veterans' Land Board.

"The Veterans' Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State, (a) owned by the United States, or any governmental agency thereof, (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas, or (c) owned by any person, firm, or corporation. Provided, however, the portion of the Veterans' Land Fund not immediately committed for the purchase of lands may be invested in short term United States bonds or obligations until such funds are needed for the purchase of lands. The interest accruing thereon shall become a part of the Veterans' Land Fund.

"All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of the Veterans' Land Fund.

"The lands of the Veterans' Land Fund shall be sold by the State to Texas veterans of the present war or wars, commonly known as World War II, and to Texas veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative Act, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now provided by law, or as may hereafter be provided by law.

"All monies received and which have been received under the Constitutional Amendment as adopted by the people of Texas at the election held on November 13, 1951, and which have not been used for repurchase of land as provided herein by the Veterans' Land Board from the sale of lands and for interest on deferred payments, shall be credited to the Veterans' Land Fund for use in purchasing additional lands to be sold to Texas veterans of World War II, and to Texas veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative Act, in like manner as provided for the sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period ending December 1, 1959; provided, however, that so much of such monies as may be necessary during the period ending December 1, 1959, to pay the principal of and interest on the bonds heretofore issued and on bonds hereafter issued by the Veterans' Land Board, shall be set aside for that purpose. After December 1, 1959, all monies received by the Veterans' Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of bonds heretofore issued and to pay interest thereon, and any of such monies not so needed shall not later than the maturity date of the last maturing bond or bonds be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All bonds issued hereunder shall, after approval by the Attorney General of Texas, registration by the Comptroller of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute obligations of the State under the Constitution of Texas. Of the total Two Hundred Million Dollars ($200,000,000) of bonds herein authorized, the sum of One Hundred Million Dollars ($100,000,000) has heretofore been issued; said bonds heretofore issued are hereby in all respects validated and declared to be obligations of the State of Texas.

"The additional bonds herein authorized may be sold in such installments as deemed necessary and advisable by the Veterans' Land Board. All monies received from the sale of land and for interest on deferred payments on land purchased with the proceeds of such additional bonds, shall be credited to the Veterans' Land Fund for use in purchasing additional lands to be sold to Texas veterans, as herein provided, in like manner as provided for the sale of lands purchased with the proceeds from the sales of the bonds provided for herein, for a period ending December 1, 1965; provided, however, that so much of such monies as may be necessary to pay interest on the additional bonds herein provided for shall be set aside for that purpose. After December 1, 1965, all monies received by the Veterans' Land Board from the sale of the lands and interest on payments, or so much thereof as may be necessary, shall be set aside for the retirement of said additional bonds and to pay interest thereon, and any of such monies not so needed shall not later than the maturity date of the last maturing bond be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law.

"This amendment shall be effective on and after January 1, 1957."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at the general election to be held throughout the State of Texas on the first Tuesday after the first Monday in November, 1956, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to change the membership of the Veterans' Land Board; increasing the Veterans' Land Fund by $100,000,000; said fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans of World War II and to Texas veterans of service in the Armed Forces of the United States of America subsequent to 1945. Such funds shall be expended in accordance with instructions and requirements that may be provided by law."; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to change the membership of the Veterans' Land Board; increasing the Veterans' Land Fund by $100,000,000; said fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans of service in the Armed Forces of the United States of America subsequent to 1945. Such funds shall be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of said amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said amendment, and the Governor shall issue a proclamation in keeping therewith.

Sec. 3. Should the Legislature pass legislation with regard to this amendment prior to its adoption, it shall not be invalid because of its anticipatory nature.

Sec. 4. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and Laws of this State.

HOUSE JOINT RESOLUTION NO. 15 proposing an amendment to the Constitution of the State of Texas by amending Article VII, Sections 17 and 18, providing a method of payment for the construction and equipment of buildings and other permanent improvements at State institutions of higher learning and repealing Chapter 330, Acts, Regular Session, Fifty-third Legislature; and proposing an amendment to Article VII of the Constitution of the State of Texas by adding a new section after Section 11 thereof to be designated as Section 11a, providing for the improved support of The University of Texas and the Agricultural and Mechanical College of Texas from a source other than tax revenue by providing for the broader investment of the Permanent University Fund in corporate bonds and stocks under certain conditions and limitations; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 17 and 18 of Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 17. In lieu of the State ad valorem tax on property of Seven Cents (7¢) on the One Hundred Dollar ($100) valuation heretofore permitted to be levied by Section 51 of Article 3, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a State ad valorem tax on property of Two Cents (2¢) on the One Hundred Dollars ($100) valuation for the purpose of creating a special fund for the continuing payment of Confederate pensions as provided under Section 51, Article 3, and for the establishment and continued maintenance of the State Building Fund as provided in Section 51b, Article 3, of the Constitution.

"Also, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a State ad valorem tax on property of Five Cents (5¢) on the One Hundred Dollars ($100) valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings, or other permanent improvements at the designated institutions of higher learning; and the governing board of each of such institutions of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, and shall bear interest not to exceed three per cent (3%) per annum and shall mature serially or otherwise not later than September 1, 1968, and September 1, 1973, respectively; provided, the power to issue bonds or notes hereunder is expressly limited to a period of twenty (20) years from the effective date of this amendment; and provided further, that the Five Cent (5¢) tax hereby levied shall expire finally upon payment of all bonds or notes hereby authorized; provided, further, that the State tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty Cents (30¢) on the One Hundred Dollars ($100) valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

"Funds raised from said Five Cent (5¢) tax levy for the ten-year period beginning January 1, 1958, shall be allocated by the Comptroller of Public Accounts of the State of Texas on June first of that year, based on the average long session full-time student equivalent enrollment (fifteen (15) semester credit hours shall constitute one full-time student) for the preceding five-year period of time, to the following State institutions of higher learning then in existence, to wit:

Texas State College for Women at Denton; Texas College of Arts and Industries at Kingsville; Texas Technological College at Lubbock; East Texas State Teachers College at Commerce; North Texas State College at Denton; Sam Houston State Teachers College at Huntsville; Southwest Texas State Teachers College at San Marcos; Stephen F. Austin State College at Nacogdoches; Sul Ross State College at Alpine; West Texas State College at Canyon; Texas Southern University at Houston; Lamar State College of Technology at Beaumont.

"Not later than June first of the beginning year of each succeeding ten-year period, the Comptroller of Public Accounts of the State of Texas, based on the average long session full-time student equivalent enrollment (fifteen (15) semester credit hours shall constitute one full-time student) for the preceding five-year period of time, shall re-allocate, to the above-designated institutions of higher learning then in existence, all funds to be derived from said Five Cent (5¢) ad valorem tax for said ten-year period; and all such designated institutions of higher learning which participate in the allocation or re-allocation of such funds shall not thereafter receive any General Revenue funds for the acquiring or constructing of buildings or other permanent improvements for which said Five Cent (5¢) ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the uninsured loss so incurred may be made by the Legislature out of any General Revenue funds. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this amendment; and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose. This amendment shall be self-enacting; provided, however, it shall not become operative or effective upon its adoption so as to supersede or repeal the former provisions of this Section, but shall become so operative and effective on January 1, 1958; provided, further, that nothing herein shall be construed as impairing the obligation incurred by any outstanding notes or bonds heretofore issued by any State institution of higher learning under this Section prior to the adoption of this amendment, but such notes or bonds shall be paid, both as to principal and interest, from the fund as heretofore allocated to any such institution under this Section, nor shall the provisions of this amendment affect in any way the prior allocation of the revenue for the ten-year period beginning January 1, 1948, as heretofore authorized by the provisions of Section 17 of Article VII of this Constitution as adopted August 23, 1947, Chapter 330, Acts, Regular Session, Fifty-third Legislature is repealed upon the effective date of this Amendment; but the principal and interest due on any obligations incurred by the governing boards of Lamar State College of Technology at Beaumont and of Texas Southern University at Houston under the provisions of said Chapter 330 prior to its repeal shall be paid from the allocations to Lamar State College of Technology and Texas Southern University from the funds raised by the Five Cent (5¢) ad valorem tax levy as provided in this Section, and the annual allocations to these institutions under this Section shall be first devoted to current requirements for meeting such obligations in accordance with their terms.

"Section 18. For the purpose of constructing, equipping, or acquiring buildings or other permanent improvements for the Texas Agricultural and Mechanical College System, including the Agricultural and Mechanical College of Texas at College Station, Arlington State College at Arlington, Prairie View Agricultural and Mechanical College of Texas at Prairie View, Tarleton State College at Stephenville, Texas Agricultural Experiment Stations, Texas Agricultural Extension Service, Texas Engineering Experiment Station, at College Station, Texas Engineering Extension Service, at College Station, and the Texas Forest Service, the Board of Directors of the Agricultural and Mechanical College of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of one-third (⅓) of twenty per cent (20%) of the value of the Permanent University Fund exclusive of real estate at the time of any issuance thereof; provided, however, no building or other permanent improvement shall be acquired or constructed hereunder for use by any part of the Texas Agricultural and Mechanical College System, except at and for the use of the general academic institutions of said System, namely, the Agricultural and Mechanical College of Texas, Arlington State College, Tarleton State College, and Prairie View A. and M. College, without the prior approval of the Legislature or of such agency as may be authorized by the Legislature to grant such approval; and for the purpose of constructing, equipping, or acquiring buildings or other permanent improvements for The University of Texas System, including the Main University of Texas at Austin, The University of Texas Medical Branch at Galveston, The University of Texas Southwestern Medical School at Dallas, The University of Texas Dental Branch at Houston, Texas Western College of The University of Texas at El Paso, The University of Texas M. D. Anderson Hospital and Tumor Institute at Houston, The University of Texas Post-Graduate School of Medicine, The University of Texas School of Public Health, McDonald Observatory at Mount Locke, and the Marine Science Institute at Port Aransas, the Board of Regents of The University of Texas is hereby authorized to issue negotiable bonds and notes not to exceed a total amount of two-thirds (⅔) of twenty per cent (20%) of the value of the Permanent University Fund exclusive of real estate at the time of any issuance thereof; provided, however, no building or other permanent improvement shall be acquired or constructed hereunder for use by any institution of The University of Texas System, except at and for the use of the general academic institutions of said System, namely, the Main University and Texas Western College, without the prior approval of the Legislature or of such agency as may be authorized by the Legislature to grant such approval. Any bonds or notes issued hereunder shall be payable solely out of the income from the Permanent University Fund. Bonds or notes so issued shall mature serially or otherwise not more than thirty (30) years from their respective dates.

"The Texas Agricultural and Mechanical College System and all of the institutions constituting such System as hereinabove enumerated, and The University of Texas System, and all of the institutions constituting such System as hereinabove enumerated, shall not, after the effective date of this Amendment, receive any General Revenue funds for the acquiring or constructing of buildings or other permanent improvements, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the uninsured loss so incurred may be made by the Legislature out of General Revenue funds.

"Said Boards are severally authorized to pledge the whole or any part of the respective interests of the Agricultural and Mechanical College of Texas and of The University of Texas in the income from the Permanent University Fund, as such interests are now apportioned by Chapter 42 of the Acts of the Regular Session of the Forty-second Legislature of the State of Texas, for the purpose of securing the payment of the principal and interest of such bonds or notes. The Permanent University Fund may be invested in such bonds or notes.

"All bonds or notes issued pursuant hereto shall be approved by the Attorney General of Texas and when so approved shall be incontestable. This amendment shall be self-enacting and shall become effective January 1, 1958; provided, however, that nothing herein shall be construed as impairing any obligation heretofore created by the issuance of any outstanding notes or bonds under this section by the respective Boards prior to the adoption of this amendment but any such outstanding notes or bonds shall be paid in full, both principal and interest, in accordance with the terms of such contracts."

Sec. 2. That Article VII of the Constitution of the State of Texas shall be amended by adding after Section 11 thereof a new Section to be designated Section 11a, which shall read as follows:

"Section 11a. In addition to the bonds now enumerated in Section 11 of Article VII of the Constitution of the State of Texas, the Permanent University Fund may be invested in first lien real estate mortgage securities guaranteed in any manner in whole by the United States Government or any agency thereof and in such corporation bonds, preferred stocks and common stocks as the Board of Regents of The University of Texas may deem to be proper investments for said fund; and the interest and dividends accruing from the securities listed in Section 11 and Section 11a, except the portion thereof which is appropriated by the operation of Section 18 of Article VII for the payment of principal and interest on bonds or notes issued thereunder, shall be subject to appropriation by the Legislature to accomplish the purposes declared in Section 10 of Article VII of this Constitution. In making each and all of such investments said Board of Regents shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as the probable safety of their capital; provided, however, that not more than fifty per cent (50%) of said fund shall be invested at any given time in corporate stocks and bonds, nor shall more than one per cent (1%) of said fund be invested in securities issued by any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided, further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors. This amendment shall be self-enacting, and shall become effective upon its adoption, provided, however, that the Legislature shall provide by law for full disclosure of all details concerning the investments in corporate stocks and bonds and other investments authorized herein."

Sec. 3. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at the General Election to be held on the first Tuesday after the first Monday in November, A.D. 1956, at which election all ballots shall have printed thereon:

"FOR the Amendment to Article VII of the Constitution of the State of Texas by amending Sections 17 and 18 thereof, providing a method of payment for the construction and equipment of buildings and other permanent improvements at State institutions of higher learning; and by adding a new section thereto to be designated as Section 11a, providing for the improved support of The University of Texas System and the Texas Agricultural and Mechanical College System by authorizing the investment of the Permanent University Fund in corporate bonds and stocks under certain conditions and limitations."

"AGAINST the Amendment to Article VII of the Constitution of the State of Texas by amending Sections 17 and 18 thereof, providing a method of payment for the construction and equipment of buildings and other permanent improvements at State institutions of higher learning; and by adding a new section thereto to be designated as Section 11a, providing for the improved support of The University of Texas System and the Texas Agricultural and Mechanical College System by authorizing the investment of the Permanent University Fund in corporate bonds and stocks under certain conditions and limitations."

Sec. 4. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

HOUSE JOINT RESOLUTION NO. 9 proposing an Amendment to Section 11 of Article I of the Constitution of the State of Texas by adding a new subsection to be designated as Section 11a, relating to denial of bail to a person charged with a felony less than capital who has been theretofore twice convicted of a felony; providing for the submission of the proposed Amendment to a vote of the people and for proclamation and publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 11 of Article I of the Constitution of the State of Texas be amended by adding a subsection thereto to be known as Section 11a and to read as follows:

"Section 11a. Any person accused of a felony less than capital in this State, who has been theretofore twice convicted of a felony, the second conviction being subsequent to the first, both in point of time of commission of the offense and conviction therefor may, after a hearing, and upon evidence substantially showing the guilt of the accused, be denied bail pending trial, by any judge of a court of record or magistrate in this State; provided, however, that if the accused is not accorded a trial upon the accusation within sixty (60) days from the time of his incarceration upon such charge, the order denying bail shall be automatically set aside, unless a continuance is obtained upon the motion or request of the accused; provided, further, that the right of appeal to the Court of Criminal Appeals of this State is expressly accorded the accused for a review of any judgment or order made hereunder."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1956, at which election all ballots shall have printed thereon the following:

"FOR the amendment to the Constitution of the State of Texas providing that a court, judge or magistrate may deny bail to a person who has been convicted of two (2) previous felonies."

"AGAINST the amendment to the Constitution of the State of Texas providing that a court, judge or magistrate may deny bail to a person who has been convicted of two (2) previous felonies."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

HOUSE JOINT RESOLUTION NO. 46 proposing an amendment to Article XVI, Section 1, of the Constitution of the State of Texas, changing the form of the Oath of Office to include appointive officers of the State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1: That Section 1 of Article XVI of the Constitution of the State of Texas be amended to hereafter read as follows:

"Section 1. Members of the Legislature, and all other elected officers, before they enter upon the duties of their offices, shall take the following Oath or Affirmation:

"I, _____, do solemnly swear (or affirm), that I will faithfully execute the duties of the office of _____ of the State of Texas, and will to the best of my ability preserve, protect, and defend the Constitution and laws of the United States and of this State; and I furthermore solemnly swear (or affirm), that I have not directly nor indirectly paid, offered, or promised to pay, contributed, nor promised to contribute any money, or valuable thing, or promised any public office or employment, as a reward for the giving or withholding a vote at the election at which I was elected. So help me God."

The Secretary of State, and all other appointed officers, before they enter upon the duties of their offices, shall take the following Oath or Affirmation:

"I, _____, do solemnly swear (or affirm), that I will faithfully execute the duties of the office of _____ and will to the best of my ability preserve, protect, and defend the Constitution and laws of the United States and of this State; and I furthermore solemnly swear (or affirm), that I have not directly nor indirectly paid, offered, or promised to pay, contributed, nor promised to contribute any money, or valuable thing, or promised any public office or employment, as a reward for the giving or withholding a vote at the election at which I was elected. So help me God."

HOUSE JOINT RESOLUTION NO. 11 proposing an amendment to Article I of the Constitution of the State of Texas by adding thereto another section, to be designated as Section 15-a, requiring medical or psychiatric testimony for commitment of persons of unsound mind, and authorizing the Legislature to provide for trial and commitment of such persons and for waiver of trial by jury where the person under inquiry has not been charged with commission of a criminal offense.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article I of the Constitution of the State of Texas be and the same is hereby amended by adding another section thereto following Section 15, to be designated Section 15-a, to read as follows:

"Section 15-a. No person shall be committed as a person of unsound mind except on competent medical or psychiatric testimony. The Legislature may enact all laws necessary to provide for the trial, adjudication of insanity and commitment of persons of unsound mind and to provide for a method of appeal from judgments rendered in such cases. Such laws may provide for a waiver of trial by jury, in cases where the person under inquiry has not been charged with the commission of a criminal offense, by the concurrence of the person under inquiry, or his next of kin, and an attorney ad litem appointed by a judge of either the County or Probate Court of the county where the trial is being held, and shall provide for a method of service of notice of such trial upon the person under inquiry and of his right to demand a trial by jury."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the first Tuesday after the first Monday in November, 1956, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment requiring medical testimony for commitment of persons of unsound mind, and authorizing the Legislature to provide for trial and commitment of such persons and for waiver of the right of trial by jury by a person alleged to be of unsound mind or his next of kin, and his attorney ad litem."

"AGAINST the Constitutional Amendment requiring medical testimony for commitment of persons of unsound mind, and authorizing the Legislature to provide for trial and commitment of such persons and for waiver of the right of trial by jury by a person alleged to be of unsound mind or his next of kin, and his attorney ad litem."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment. In counties or other subdivisions using voting machines the above provision for voting for and against this Constitutional Amendment shall be placed on said machines in such manner that each voter shall vote on the machine for or against the Constitutional Amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

SENATE JOINT RESOLUTION NO. 5 proposing an amendment to the Constitution of the State of Texas, amending Section 48a, Article III of the Constitution of the State of Texas, so as to authorize needed changes in and revision of the Teacher Retirement System of Texas; providing that this section shall not amend, alter, or repeal Section 63 of Article 16 of the Constitution of Texas as adopted November, 1954, or any enabling legislation passed pursuant thereto; providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 48a of Article III of the Constitution of the State of Texas be amended so as to read as follows:

"Section 48a. In addition to the powers given the Legislature under Section 48, Article III, it shall have the right to levy taxes to establish a fund to provide retirement, disability and death benefits for persons employed in the public schools, colleges and universities supported wholly or partly by the State; provided that the amount contributed by the State to such fund each year shall be equal to the aggregate amount required by law to be paid into the fund by such employees, and shall not exceed at any time six per centum (6%) of the compensation paid each such person by the State and/or school districts, and shall in no one (1) year exceed the sum of Five Hundred Four Dollars ($504.00) for any such person; and provided that no person shall be eligible for retirement who has not rendered ten years of creditable service in such employment, and in no case shall any person retire before either attaining the age fifty-five (55) or completing thirty (30) years of creditable service, but shall be entitled to refund of moneys paid into the fund.

"The Legislature may authorize all moneys coming into such fund to be invested in bonds or other evidences of indebtedness of the United States, or of this State, or any county, city, school district, or other municipal corporation or district of this State; or in such other securities as are now or hereafter may be permitted by law as investments for the Permanent University Fund or for the Permanent School Fund of this State; provided a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as may be provided by law; and provided that the recipients of such retirement fund shall not be eligible for any other State pension retirement funds or direct aid from the State of Texas, unless such other State pension or retirement fund, contributed by the State, is released to the State of Texas as a condition to receiving such other pension aid; providing, however, that this section shall not amend, alter, or repeal Section 63 of Article 16 of the Constitution of Texas as adopted November, 1954, or any enabling legislation passed pursuant thereto."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1956, at which election each ballot shall have printed thereon the following words:

"FOR the constitutional amendment empowering the Legislature to revise the existing Teacher Retirement System and to broaden the benefits to employees of public schools, colleges, and universities supported wholly or partly by the State, authorizing that the State's contributions for such purposes shall equal contributions by such employees and providing that they do not exceed six per centum (6%) of the compensation paid each such employee by the State or school district or the sum of Five Hundred Four Dollars ($504.00) for each year for any such employee, regulating the eligibility of such employees for retirement benefits and prescribing the manner of investing money accruing to the retirement fund."

"AGAINST the constitutional amendment empowering the Legislature to revise the existing Teacher Retirement System and to broaden the benefits to employees of public schools, colleges, and universities supported wholly or partly by the State, authorizing that the State's contributions for such purposes shall equal contributions by such employees and providing that they do not exceed six per centum (6%) of the compensation paid each such employee by the State or school district or the sum of Five Hundred Four Dollars ($504.00) for each year for any such employee, regulating the eligibility of such employees for retirement benefits and prescribing the manner of investing money accruing to the retirement fund."

Each voter shall mark out one of said clauses on the ballot leaving the one expressing his vote on the proposed amendment. If it appears from the returns of said election that a majority of the votes cast were in favor of said amendment, the same shall become a part of the State Constitution and be effective from the date of determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said special election and shall have the same published as required by the Constitution and laws of this State.

HOUSE JOINT RESOLUTION NO. 23 proposing an amendment to Section 9 of Article VIII of the Constitution of Texas so as to provide that the Commissioners Court in each county may levy whatever sums may be necessary for general fund purposes, permanent improvement fund purposes, road and bridge purposes and jury purposes so long as the total of these tax rates does not exceed Eighty Cents (80c) on the One Hundred Dollars ($100) valuation in any one (1) year, and providing further that the Commissioners Court shall not impair any outstanding bonds or other obligations; providing for the necessary election and form of ballot; and providing for the necessary proclamations and publications.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 9, Article VIII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 9. The State tax on property, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty-five Cents (35c) on the One Hundred Dollars ($100) valuation, and no county, city or town shall levy a tax rate in excess of Eighty Cents (80c) on the One Hundred Dollars ($100) valuation in any one (1) year for general fund, permanent improvement fund, road and bridge fund and jury fund purposes. provided further that at the time the Commissioners Court meets to levy the annual tax rate for each county it shall levy whatever tax rate may be needed for the four (4) constitutional purposes; namely, general fund, permanent improvement fund, road and bridge fund and jury fund so long as the Court does not impair any outstanding bonds or other obligations and so long as the total of the foregoing tax levies does not exceed Eighty Cents (80c) on the One Hundred Dollars ($100) valuation in any one (1) year. Once the Court has levied the annual tax rate, the same shall remain in force and effect during that taxable year; and the Legislature may also authorize an additional annual ad valorem tax to be levied and collected for the further maintenance of the public roads; provided, that a majority of the qualified property tax paying voters of the county voting at an election to be held for that purpose shall vote such tax, not to exceed Fifteen Cents (15c) on the One Hundred Dollars ($100) valuation of the property subject to taxation in such county. And the Legislature may pass local laws for the maintenance of the public roads and highways, without the local notice required for special or local laws. This Section shall not be construed as a limitation of powers delegated to counties, cities or towns by any other Section or Sections of this Constitution."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1956, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment authorizing the Commissioners Court in each county to levy whatever sums may be necessary for general fund, permanent improvement fund, road and bridge fund and jury fund purposes so long as the total of these funds does not exceed a maximum tax rate of Eighty Cents (80c) on the One Hundred Dollars ($100) valuation in any one (1) year and so long as the Court does not impair any outstanding bonds or other obligations."

"AGAINST the Constitutional Amendment authorizing the Commissioners Court in each county to levy whatever sums may be necessary for general fund, permanent improvement fund, road and bridge fund and jury fund purposes so long as the total of these funds does not exceed a maximum tax rate of Eighty Cents (80c) on the One Hundred Dollars ($100) valuation in any one (1) year and so long as the Court does not impair any outstanding bonds or other obligations."

Sec. 3.

Around the Town . .

By DOVIE CHERRY

Hey ye, hear ye! There is nothing that spoils a person more than a vacation. Nothing. One week away from the daily grind, and what happens? Yawn, yawn, yawn . . . let's not do that now . . . skip breakfast . . . and I wish someone would turn the page, this book is pretty interesting.

What a person needs is a vacation from the vacation. There's no doubt about it. After traveling vacationers, or idiots, work for a couple of weeks getting ready for a "rest," drive through sizzling sun, run up and down mountains, eat fried foods for a week, go, go, go, and then come home to a dirty house just in time to appear smiling and sunburned on the job, that's the time to have some more vacation.

Ugh! I have spoken.

☆ ☆ ☆

But when you get far enough away from the vacation to forget aches and pains, then it all seems rather nice, or it must because we always go back asking for more. It's better to remember the good things—the scenery, new faces and friends, interesting places and the hilarious moment when somebody fell in the river.

Ugh! I have spoken again.

☆ ☆ ☆

In case you can't guess, spouse and I have just returned from a vacation. We went up to Colorado. You know, as the signs say, "Cool, Colorful Colorado." What an understatement. It's nothing less than cold, colorful Colorado, at least in the mountains.

In Espanola, N. M., at a service station, a woman drove up to have her car serviced. When the service station attendant started to put water in the radiator, she said, "Oh, no, don't put water in the radiator. I have anti-freeze in it. I'm going up to Colorado, and I don't want it to freeze up."

Everybody laughed, and the attendant said, "Lady, if it gets that cold up there, you call back collect and I'll come too."

Ha, ha, wish I had drunk a little of that anti-freeze.

A service station attendant in Antonito, Colo., said that it had been unusually cold at night there. "Usually, a person needs only one quilt on the bed, but this summer, we use no less than three," he said. So, there all you nasty people that laughed when I went around screaming about how cold it was.

☆ ☆ ☆

More true confessions. I not only get cold, but I'm a sign addict. Here are two unusual ones seen. The first one was in Platora, Colo. (Compliments of Electra Station, Electra, Texas!)

WARNING
FISHING POX
Very Contagious To All Males

Symptoms—continual complaints as to the need of fresh air, sunshine and relaxation. Patient has blank expression, sometimes deaf to wife and kids. Frequent checking of tackle catalogs. Hangs out in sporting goods stores longer than usual. Secret night phone calls to fishing pals. Mumbles to self. Lies to everyone. No known cure. Treatment—medication is useless. Disease is not fatal. Victim should go fishing as often as possible.

And this one in Clovis, N. M.:

My competitors do more for me than my friends do: my friends are too polite to point out my weaknesses.

But my competitors go to great expense to advertise them.

My competitors are efficient, diligent and attentive; they make me search for ways to improve my products and service.

My competitors would take my business away from me if they could. This keeps me alert to hold what I have.

If I had no competitors I would be lazy, incompetent, inattentive.

I need the discipline they enforce upon me. I salute my competitors; they have been good to me.

God bless them all.

☆ ☆ ☆

Are you interested in all types of people? Do you like to talk to people, and be of service? And have you enough patience to put up with petulant vacationers? If your answers are all yes, you might meet the qualifications for a motel operator.

While on vacation, I had the opportunity to get acquainted with a fine couple owning the Sun 'n San motel in Alamosa, Colo. Bus and Chris Colerick. Both have an evident like for people, and it's a good thing because every day they meet all types of people, many of whom are eager to chat about home, vacations, vocations too.

In one day they met and talked with salesmen, a Bell telephone representative who was excited about meeting her brother and an offer of marriage, a ranch stock buyer that stopped to tell about a few ups and downs of his business, an insurance man and his family from Lofton, Texas, (one of the young sons of this family who had grown a watermelon in the backyard of his home was afraid someone would steal it while he was gone, so he picked his prize and brought it with him for safe keeping), and lots of people who more than anything else want a roof over their heads.

Bus and Chris say it keeps them on their toes operating a motel. Besides keeping rooms and service up to par, they have to always smile and be friendly no matter how abundant their own troubles. But it's worth it when at night they can look out and see a No Vacancy sign. "That's the best thing about motel business," Bus said.

☆ ☆ ☆

Chris Colerick who loves to cook, gives a tip for adding flavor to frozen fish. She says to prepare a mixture of Wesson oil, paprika, lemon juice, garlic salt, salt and pepper and place the frozen fish in this to thaw. Baste with this mixture when cooking.

For a quick Mexican dish, Chris browns seasoned hamburger meat, then sautes garlic, onion and green pepper with the meat. She reduces the heat and lets it simmer. While this mixture is cooking she makes thick corn meal mush and with it lines and packs the bottom and sides of a casserole dish. The meat mixture is put into the casserole, covered with cornmeal mush and cooked until the mush is brown.

☆ ☆

A classified ad in the Alamosa Courier:

Now I lay me down to snore. Insured for $5,000 or more. If I should die before I awake, my wife will get her first real break.

Wayside 4-H Gives Program for Club

The Fairview Home Demonstration Club met on July 25 with Mrs. Charles Stratton. The Wayside 4-H girls with their sponsor, Micki Rogers, gave the program on their year's work using skits.

Refreshments were served to Mrs. La Loine Shribe, Micki Rogers, Nancy Shrib, Patsy Schrib, Loraine Newsom, Polly Cummins, Nan Earyle Shipman, all 4-H girls and Mrs. J. W. Wesley, Serena Bryan, Mrs. E. W. Schaeffer, Mrs. H. H. Shipman, Mrs. Evelyn Shipman, Mrs. E. M. Wilson, Mrs. Oscar Read, Mrs. Ferne Wilson and the hostess, members of the club.

Every time you buy a new-fangled gadget you have another service charge to pay.

"You know, they say. . . "

How many times have you heard someone start a conversation that way? And often as not, the statement that follows is an unconfirmed rumor. It's just one means of opening up a sensitive subject.

At a luncheon the other day, some women were in an uproar about "the city" allowing a parking lot to go into a residence area. "And they say," related one woman, "that they're going to cut a street through that block, too." Then everyone began to speculate about what would happen to one of the homes which would be in the line of progress.

A few days later, we overheard one of the women from that group say, "It's a shame they're going to tear down that pretty house." The fact that the proposed new street was only the wildest rumor had already been forgotten, and "they" had become evildoers.

We heard a man say recently that he would like to see some research done on who "they" is. Said he was playing bridge with his wife the other night and she opened a hand short on point count. She went down several hundred. When he challenged her, she answered, "Oh, they're opening on eleven points now." His answer was, "Well, THEY sure murdered us on that hand!"

The "they say" business has become quite a joke around our house lately. The other day, the spouse came in with all kinds of interesting little tidbits of information. Finally, we couldn't stand it any longer: "Where in the world did you hear all this?" we wanted to know.

"Oh, I've been out with THEY this morning," he retorted.

President Eisenhower will rely heavily on the methods of "the electronics age" in the election campaign, said his press secretary, James C. Hagerty.

been given a map showing elevations of roads near his property, locations and specifications for interchanges and whether or not the service road in front of his building would be two-way.

He said he would also require legal assurance from the commissioners court that the plans would not be changed between the time they were given to him and the expressway was constructed. Porterfield said in the letter that he would need at least 60 days after receipt of the requested information before he would be able to make a decision on any offer.

One of the favorite booths at the Lions Carnival was the dunking board, manned, or womanned, by Canyon citizens who didn't mind being wet.

Mrs. W. I. Wester returned Saturday from a visit with her sons, Jack and Iva, and their families in Carlsbad, N. M. She accompanied Mr. and Mrs. R. E. Wester, Donna nd Linda Steen of Amarillo. They attended a convention in El Paso.

Mr. and Mrs. Jim Carter vacationed in Las Vegas and Red River last week.

College Housing List Approved

An approved list of Canyon housing for West Texas State College students for the fall term is being made up by the offices of the deans of men and women.

Canyon householders who would like to be included on the list, offering rooms for either unmarried men or unmarried women, or couples, are asked to call or send a card to the two offices by Monday.

In general, college regulations should be applicable to homes accommodating college students. Unmarried men and unmarried women are not permitted to live in the same house except by special approval. Unmarried men and unmarried women are not permitted to live in apartments in Canyon, unless the apartment is under the roof of the responsible householder.

It is not necessary that a house be on this prepared approved list in order to be approvable as living quarters for college students, but the list does call attention of the students to rooms that are available.

Even though some rooms are already full for the fall term, the householder is requested to give the offices information.

Music Camp - -

ual attention.

A new twirling instructor and one new band director will join others who have served on the camp's staff previously. The art of the baton will be demonstrated by Miss Sonie Rogers of Western Michigan College, formerly Miss Majorette of America. The camp's Cadet Band will be directed by Joe Barry Mullins, band director of Northeast Louisiana State College.

Frank Piersol, band director at Iowa State College, and Hiram Henry, marching band director at Oklahoma A & M, will return to the camp this year to direct the Symphonic and Concert bands. Also on the staff are Newman, Dr. Houston Bright, Royal Brantley and Gene Murray, all of WT. Two other WT instructors, David Kaplan and William O. Latson, will assist.

Classes, band rehearsals, and workshops will be held daily from 7:30 a. m. until 5 p. m. Outdoor concerts, picnics, dances and parties are planned each night for camp students and the general public.

Two concerts by camp students are scheduled Friday, Aug. 10, and Friday, Aug. 17. Other programs, open to the public, are being planned.

A number of courses are open to area band directors, including choral technics, percussion, brass and woodwind workshops, band pageantry and concert band techniques.

Births

Mr. and Mrs. Robert Franklin Brock of Canyon are parents of a boy born July 25.

A girl was born to Mr. and Mrs. Charles Albert Banks of Canyon on July 27.

It's a boy for Mr. and Mrs. Glen Edwin Farmer of Canyon, born July 27.

Mr. and Mrs. James Royce Hudson of Hereford are parents of a girl born July 29.

DETOURED ENROUTE

A sailor passed away and upon arriving at the gates of his eternal home, remarked, "Gee, I never thought heaven would be so much like Texas."

"Son," said the man at the gate sadly, "this ain't heaven."

Life would be wonderful if the flowers and vegetables came up to the catalog's description.

Dreams of Grandeur

Probably nothing appeals more to young minds than a gentle ride-in-a-circle aboard a real, live pony. The pony ride at the Lions Carnival kept up treadmill action both days.

● Refugees

Right in your own home town you can, as an American citizen, help your Government carry out its foreign policy!

By sponsoring a refugee many Americans are doing their part to make successful the emergency legislation that President Eisenhower has called "an important contribution toward greater understanding and cooperation among the free nations of the world.'

The Refugee Relief Act, which continues effective through all of 1956, can reach its humanitarian objectives if enough citizens give assurances of jobs and housing for those eligible to come to this country from the oppressions and hardships of other lands.

No visa is granted overseas under this law until there is promise of work and shelter in this country, and a moral obligation pledge that the migrant will not become a public charge.

Church groups, fraternal orders, and nationality organizations are actively cooperating with their Government in finding the needed jobs and making arrangements for bringing over and integrating the refugees into American life.

Thirty-one voluntary agencies recognized by the Department of State for cooperation in the Refugee Relief Program stand ready to help individual sponsors of refugees, by endorsing their sponsorships, attending to the details of bringing in the refugees, and sharing in responsibilities concerned with resettlement.

Some 70,000 visas have been issued in this program, and its pace is quickening as procedures are perfected. Thousands more of these visas — authorized over and above the quotas of the basic immigration law — may be issued before the Refugee Relief Act is terminated at the close of 1956. The Act provides for the entry of 209,000.

Todays great need is for more citizen sponsors — persons who find a personal satisfaction in helping refugees to new lives in the United States, and who know that by their at-home action they are helping their Government exert affirmative world leadership in our quest for peace. The greatest need is for refugees in Germany, Austria and the Netherlands.

The world refugee problem is tremendous. Migration is involving many nations. The United States shares moderately in the vast movement of people. Only about one-fourth of the people leaving Europe come to this country. Three-fourths go to Australia, Canada, and Latin America.

Americans cooperating to make successful the U. S. Refugee Program have no desire to disturb the domestic labor situation. In the emergency law there are safeguards in this respect. The U. S. Employment Service is assigned a role to assure that refugees do not displace American workers in jobs.

In most states there are shortages of certain skills. Many of the refugees offer the qualifications that are in short supply. The U. S. Employment Service is watchful both in this country, and overseas, where the Service must certify as to a refugee's qualifications to fill the job available to him in the United States.

Mrs. Marvel Kirbie with her brother and wife, Mr. and Mrs. M. C. Mathis of Amarillo, attended the funeral of their nephew, H. E. McCauley, Monday in Spearman.

Mr. and Mrs. E. L. Hardaway and daughter returned home Monday after spending a week in Colorado.

Mr. and Mrs. John Schramm of Flagstaff, Ariz., Mr. and Mrs. Kermit Schramm of White Deer, Mrs. Katherine Price, Mr. and Mrs. Jim Striley and children of Amarillo, Mr. and Mrs. Joe Grady Crowley and daughter, Mrs. Lucille Wall and children of Canyon, Mr. and Mrs. Francis Crowley and baby of Borger were Sunday afternoon visitors in the Joe M. Crowley home.

Friendships are not the result of a rushing acquaintanceship.

State Capitol NEWS

By VERN SANFORD
Texas Press Association

Texas' critical teacher shortage and some reasons for it are spotlighted in two reports just released.

With school bells due to ring in a month, an estimated 7,615 teaching positions still are vacant in Texas, according to the Texas State Teachers Association. To fill these jobs only 1,310 teachers are known to be available.

This means six openings for each teacher wanting a job, said TSTA Executive Secretary Charles Tennyson. Almost 4,000 teachers left the profession last year.

Apparently explanation for this wholesale snubbing of classroom posts came in statistics reported by Dr. Hob Gray of the University of Texas Teacher Placement Bureau.

This year's education graduates will average $346 per month for nine months, said Dr. Gray. But the engineering-science graduate can expect $431 per month all year.

Teachers with master's degrees do a little better, averaging $358 monthly. But a master's degree in engineering or science commands an average salary of $557.

Almost all University graduates go to schools paying more than state minimum requirements, said Dr. Gray. Highest school salaries in the state are at the West Texas oil town of Snyder. There the beginning minimum is $4,000 for nine months, or $445 monthly.

Less affluent districts have to scramble. University graduates can be quite choosey since demands for their services are exceptionally high. Ratio of jobs to graduates is 10 to 1 in all positions, 100 to 1 in mathematics and science.

Court Upholds Union Shop

Texas' controversial right-to-work law has lost another round in the courts. But champions of the law say the issue is far from being finally settled.

By a 6 to 3 decision the State Supreme Court upheld a closed shop contract between unions and Santa Fe Railway Co.

Texas law prohibits compulsory union membership, but a 1951 act of Congress authorized closed shops in the railway industry.

Atty. Gen. John Ben Shepperd, who had intervened on behalf of Texas law, predicted a motion for rehearing after the court reconvenes Oct. 3. "The full question of compulsory union membership is yet to be determined," said Shepperd. "Nor do I think the majority decision abrogates our right-to-work law."

Their decision, majority judges noted, paralleled a U. S. Supreme Court ruling in a similar case from Nebraska. Union shop contracts, said the Texas ruling, do not "compel full union membership, but only payment of union dues and assessments."

Dissenting judges spoke out against "Compulsory financial support of a private organization by those who do not subscribe to its program" as "the chief evil to be forever prohibited."

1957 Road Program Announced

Plans to spend $229,000,000 on building new roads in 1957 have been outlined by the Texas Highway Department.

In addition, $35 million will be spent on maintenance. Through the federal aid bill, Uncle Sam will absorb $117,000,000 of the $264,000,000 total tab.

Motorists can look forward to smooth sailing on the roads planned under the new federal-state building program. Some 3,000 miles of modern expressways without cross traffic or railroad crossings are due in the near future, said State Highway Engineer DeWitt Greer. Many will be divided highways. Two-lane roads will be built so two more lanes can be added.

In anticipation of this flood of highway spending, road contractors are trying to get enough engineers and skilled laborers to do the work. Texas Highway Branch, Associated General Contractors, is considering two plans.

One is to grant scholarships at engineering colleges. Another is to set up a training school on operation of machinery and heavy equipment at some machinery.

More Integration Predicted

More integration in Texas public schools next year is predicted by the Texas Commission on Race Relations.

Austin headquarters of the anti-segregation commission said last week that 300,000 students in 71 districts attended wholly or partially integrated schools last year.

This meant that one in five of the state's 1½ million students and one in 26 school districts were affected. None of these was located in the eastern quarter of the state nor in the major cities of Houston, Waco, Dallas and Fort Worth.

Ninety Negroes are expected to enroll with some 18,000 white students at the University of Texas this fall. Thirty will be freshmen who passed admissions tests; 19 transfers from other colleges and about 40 returning graduate students.

This will be the first time for Negroes to attend the University's undergraduate schools.

Vaccine Supply Overflows

In April, Texas had too little polio vaccine for too many people. Today the problem is reversed.

Despite the State Health Department's continuing campaign for wider use, Texas turned back 90 per cent of its most recent vaccine allocation. Lack of demand was given as the reason.

In Austin the county polio chapter chairman suggested Salk shots be made compulsory for school entrance, just as smallpox and diptheria vaccines. School Board members promised to consider it at their meeting August 13.

Short Snorts

Manufacturers will be asked to discontinue production of insecticides containing thallium sulphate, a State Health Department official reports. At least three children have died and dozens more have been hospitalized from thallium poisoning, said the announcement.

CAT UNDER A HOT TIN HOOD—Trouble driving? Purrhaps there's a cat under the hood. Chicago motorist Gerald A. Griffin found one wedged between the fan belt and the radiator of his auto. He had driven a block when a loud screech alarmed him. The clawing feline is shown as she is removed from the car by an Anti-Cruelty Society attendant.

Hold the Ruler Horizontally To Measure Incoming Hairstyles

With the news saying that this fall women and girls are to look feminine, many a female may have gone to the mirror, looked at her chic, but very short hairdo, and moaned, "It will take so long to grow out."

Brush off your worries, ladies, the fall fashions for 1956-57 call for softly elegant, feminine hairstyles that are short.

It's the width, not the length that will make a hairstyle fashionable. This was the word given at the 36th annual convention of the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association that met at the Statler Hilton, Dallas, in July.

Why the width? Milliners have announced the wider hat for the coming season; the wider hairdo will be designed to fit. The Official Hair Fashion Committee created a hairstyle and named it Bouffantasie Spellbound. Aptly named, the coiffure is cloud-like, bouffant.

This coiffure fits one type, but according to Mrs. Miriam Cordwell of New York City, N. Y., a past member of the committee, this coif will have modifications for other types. She says, "The coif should be individually adapted to become both the physical structure and personality of the woman."

For the woman who has let her hair grow out and in no means wishes to scissor her efforts away, the psyche knots or French twists will be fashionable. Lately there has been a visible popularity among women and girls for the bun or doughnut in back. Thomas Colesant, New York hair styling artist, says there will be so much hair-arrangement in the incoming coiffures.

How short will hair be? The Dallas News says only short enough for "styling in the soft-over-the-ear fashion, or the up-swept in back Empire creation or the high-wide-and-handsome look." Hair styles will have the European influence.

Tresses of Tomorrow, presented at the convention, revealed that the woman of tomorrow will coordinate hair color with color in clothes. Colors such as Flamingo Pink, Steel Blue and Texas Moonlight and a tangerine shade were shown. Hair shadings modeled varied from pink to purple, blonde, brunette and tangerine.

On top of the soft, bouffant coiffure will be hats reflecting the Napoleonic era and the 19th Century. Trim—stones, furs, velvets, feathers and plumes—are the major feature. Sally Victor, New York millinery designer, has such a collection of big hats for fall which include such creations as a ruby red beaver with a huge matching pompom; one of black nylon tulle draped over a tilting brim with black wings emerging from the folds; the Cabas, a deep-fitting hat of misty green velvours that is a bonnet at front and is draped and low at the back; or a turban in taupe, brown and black ribbed silk that reflects the period of Napoleon's Egyptian campaign.

In a press preview, Mrs. Victor was asked by a practical New Yorker, "But how do you get on the subway with a hat like that?" The designer, whose biggest fur hats cost around $300, laughed, "Wear a hat like that and you don't ride the subway. You own it!"

Texas will be asked to provide 687 men in September draft call, said State Selective Headquarters. At the same time draft boards will be asked for 1,140 men to take pre-induction physical and mental examinations.

Lower Rio Grande Valley farmers have ginned 149,073 bales of cotton so far this year, compared with 138,915 for the same period in 1955, said the State Agriculture Department.

Texas has won two more civil suits for recovery of veterans land funds. An Austin district court has just awarded the state judgments totaling $97,611.

E. C. Nelson, senior engineer assistant at the State Health Department, resigned last week to enter private business. He is the second engineer to leave the department within the past month.

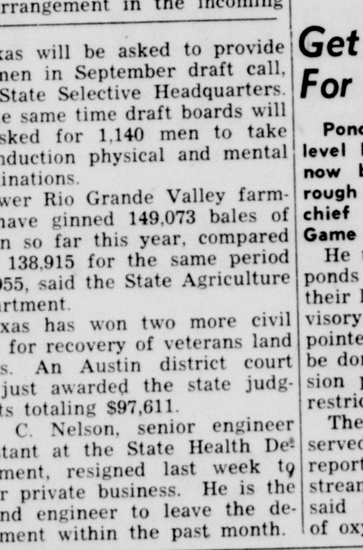
Get Warden Aid For Pond Cleaning

Ponds and tanks at low water level because of the drouth may now be conveniently cleared of rough fish, suggested Marion Toole, chief aquatic biologist for the Game and Fish Commission.

He urged persons with tanks or ponds on their places to contact their local game warden for supervisory aid in seining the areas. He pointed out that such work can be done only with formal Commission permission because of legal restrictions on seining.

The chief aquatic biologist observed that the usual hot weather reports on fish dying in low streams and tanks are current. He said this generally is from lack of oxygen in the water.

Thanks, folks, for your vote and support of my candidacy during the primary election Saturday. I earnestly solicit your continued support in the runoff election Aug. 25. I shall try to see each of you before election day to thank you personally.



W. A. (Bill) WILSON

Candidate for Randall County Commissioner Precinct 1

Paid Pol. Adv.

Antelope Hunt Tag Deadline August 31

Formal applications for the fall antelope hunts are ready, announced Vernon Skaggs, chief clerk of the Texas Game and Fish Commission.

Persons interested in the hunts should write him at Commission headquarters in Austin. Blanks and instructions for formally applying will be forwarded promptly. Deadline for mailing requests for the applications is midnight August 31, which means they must be postmarked before midnight of that date.

E. A. Walker, director of Wildlife Restoration, estimated upwards of 1,000 head of prong-horned antelope will be earmarked for harvest. Approximately 700 head will be available west of the Pecos, where both bucks and antlerless antelope will be taken. The remainder will be in the Panhandle.

Should more persons apply for the special permits than there are antelope available, the customary public drawing will be held in the Commission's Austin headquarters.

The hunt West of the Pecos will be in two sections. The first will be October 1 through October 3, and the second October 5 through October 7. The Panhandle shoot will be in three periods, comprising Oct. 11-13; Oct. 14-16; and Oct. 17-19.

The chief clerk admonished persons writing in for the application forms to indicate whether they prefer to hunt West of the Pecos or in the Panhandle. He said groups will be permitted to apply so that they may be permitted to hunt in the same party.

Hunt, Fish Licenses To Be Mailed Soon

The new hunting and fishing licenses for the state's fiscal year beginning Sept. 1 will be mailed from Austin August 21, according to E. W. Kinney, chief license clerk for the Game and Fish Commission.

Approximately 350,000 fishing and 350,000 hunting licenses in all will be shipped to the state's 2500 licensed agents in 254 counties.

Old licenses will be void after midnight August 31.

Resident hunting licenses cost $2.15 and include two tags for deer hunting. Resident fishing licenses cost $1.65.

The consignments will include the special non-resident license for migratory bird hunting, such as ducks, geese and doves. These cost $5. A special five day non-resident fishing license costs $1.65.

You can read a book and still be ignorant. It all depends upon what and how you read.

I wish to thank all my friends for their support and cooperation during the last term of office and also wish to add my thanks for their vote and support in the recent election. I am looking forward to serving Precinct 3 and Randall County for the next four years.

GLENN DOWLEN
County Commissioner Precinct 3

Rev. Merle Weathers filled his regular appointment Sunday and was a dinner guest in the Clifford Franklin home.

Mr. and Mrs. Paul Wetzel, Marilyn and Ronnie, visited last Sunday in Plainview in the Oren Martin home.

Mrs. John McGehee had the misfortune of getting her little finger on her left hand mashed one day the first of the week. She has been going to Happy to Dr. Robinson to have it dressed.

Mr. and Mrs. W. R. Stockett and Mr. and Mrs. John McGehee were visiting relatives in Happy Wednesday.

Mrs. Doreen Modisette, Royce, Marian and Fay and Mrs. Fern Hall, Shirley, James, and Truetta were Tulia callers Wednesday. The women were seeing their dentist, Dr. McCaslin.

Phyllis Sluder of Happy called in the W. R. Franklin home Thursday evening.

A number from Wayside attended the Caprock annual picnic and barbecue at Claude Friday.

Mr. and Mrs. Glenn Mahler, Randy and Eddie visited over last weekend in the E. J. Mahler home.

Mr. and Mrs. Clifford Stevens and boys were Happy callers Friday.

The Home Demonstration Council met at the church last Monday.

Mrs. Bill Allen and children recently visited relatives in Oklahoma.

Mrs. Joan Newsom and children visited relatives in Clovis, N. M., the first part of last week.

Mr. and Mrs. Leroy Roberts, Princess and Deltah are vacationing in South Texas.

Mr. and Mrs. W. C. McGehee and Mrs. Aline Watson visited last Sunday with Mrs. Mollie Gordon-Cummings of near Canyon.

Hales' Holsteins Head RC DHIA

Richmond Hales Holstein herd placed second for June in the Randall County Dairy Herd Improvement Association tests with average production of 1160 pounds of milk per cow.

The association tested 28 herds with 923 cows being milked. Hales also had two cows placing in the two 10 in milk production, one with 2,540 pounds and another with 2,170 pounds.

Louis Hinders, Neil Downing and West Texas State College each had cows placing in the top 10.

Hinders' cow gave 2,360 pounds of milk; Downing's gave 2,470 and the college had two, one giving 2,060 pounds and the other 2,330 pounds.

Mrs. Pearl Vikcery of Dallas returned to her home Monday after spending a month with Mrs. C. L. Neelley. Claudia Neelley has been studying art with Emil Bisttram in Taos, N. M., for the past month.

Jack Campbell Gets Santa Fe Award

Jack Campbell, spring graduate of Canyon High School, has been named one of seven Future Farmers of America from this area to receive educational awards sponsored by the Santa Fe Railway Company.

The award was announced at the Texas FFA convention in Dallas July 26 by Kelley Fogg, Santa Fe executive representative in Texas.

All winners will receive their financial aid from the Texas Education Agency. Representatives of the Santa Fe will present certificates in honor of their selection to the winners at FFA ceremonies in the areas where the boys live.

Lt. Lindsey Taking Artillery Training

First Lt. Robert T. Lindsey is taking a two-week course in basic and advance artillery courses at Fort Sill, Okla., with the annual unit training of the United States Army Reserve School.

The school was initiated in 1930 to provide a program for group training of reserve officers who are not members of Army Reserve or National Guard troop units.

Bettie Graham Shower Honoree

Bettie Jean Graham, bride-elect of Bill Osborne, was honored with a kitchen shower Thursday, July 26, in the home of Mrs. Betty Ross Howard. Co-hostesses were Dorothy Patterson, Teddie Poindexter, Alice Mae Simms and Florence Marie Coffee.

The tea table, laid with a lace cloth, was centered with a bouquet of roses. Punch, sandwiches, cookies and nuts were served to approximately 20 guests.

JEAN ANN SWAGERTY

* * *

Business Instructor Appointed at WT

A North Texas State College graduate has been appointed instructor in business administration for the 1956-57 term at West Texas State College, according to President James P. Cornette.

She is Jean Ann Swagerty of Fort Worth. Miss Swagerty earned her B.B.A. degree in 1955 and her M.B.E. degree from North Texas in 1956. She held a graduate fellowship in business while working on her masters.

Miss Swagerty was the 1956 state winner of a "Miss Business Executive" contest, and was co-sponsor of the NTSC chapter of Future Business Leaders of America. She was a member of the Mary Arden English honorary club, Future Teachers of America, and Zeta Tau Alpha social sorority. She is a 1952 graduate of Arlington Heights High School in Fort Worth.

Amity Club Hears Of Mrs. Fain's Trip

Members of the Amity Club met with Mrs. J. C. Dowd July 20 with Mrs. R. E. Gill, Mrs. T. T. Fain and Mrs. Pennie Cox as co-hostesses. Roll call was answered by each person telling of her hobby.

Mrs. Fain told of her trip to California, Oregon and Washington. Highlights of the trip were airplane rides and a ride on a ferry boat in Puget Sound.

Mrs. Gill sponsored a game. The secret box was passed and Mrs. Mary Burtz was the prize-winner in the guessing name. Mrs. Cox was given a surprise birthday present from her secret pal. Mrs. Henry Cone presided at the business session in the absence of the president.

Watermelon was served to Mrs. W. H. Harden, Mrs. S. L. Terry, Mrs. W. T. Davis, Mrs. T. W. Henderson, Mrs. W. I. Wester, Mrs. Burtz, Mrs. Fain, Mrs. Gill, Mrs. Cox, a visitor, Mrs. H. C. Gentry and the hostess.

Mr. and Mrs. Bumgarner returned home Saturday after vacationing in southern California for two weeks.

Umbarger News

Visitors in the Ed Evers home were Mr. and Mrs. Albert Konigt and family and Mr. and Mrs. Melvin Fenoglio and family.

Mrs. Math Albracht and family spent Sunday in the Harry Friemel home.

Mrs. Clem Friemel, Mrs. Max Koch and Mrs. Ted Irlbeck spent Sunday in Panhandle visiting in the Henry Leven home.

Bernice Grabber spent a few days in Panhandle visiting with Irene Detten.

Mr. and Mrs. Raymond Batenhorst and family visited in the Sylvester Batenhorst home.

Sylvia Raef, Mary Janssen and Joyce Friemel visited with Anna, Elsie and Mary Buecker.

Courtesy is so cheap that some people take no interest in it.

A motor rewound here has its full rated horsepower—the work is superlatively done by specialists and is wholly guaranteed. Regardless of type, size, make — we can service your electric motors perfectly, economically.

Will you have enough HOT WATER in your dream home?

Essential as the roof on your new home is an adequate supply of hot water. And here in the Southwest especially, where gas is so economical, it's the way to heat water. The beautiful new gas water heaters not only save you money both in original and operating cost, but are fully automatic and super-fast, as well. The efficient, modern home depends on a plentiful supply of hot water, so right now's the time to plan on nothing short of 100% convenience. Choose your new water heater from the wide selection of large-capacity models at progressive appliance and plumbing supply dealers . . . and naturally, make it GAS!

MINIMUM RECOMMENDATIONS FOR NORMAL HOT WATER REQUIREMENTS

Number Bathrooms	Number Bedrooms	Storage Cap'y. Gallons
1	1 or 2	30
1	3 or 4	40
2	2 or 3	40
2	4 or 5	50
3	3	50
3 or 4	4 or 5	75

Hutchison-Fry Vows Are Read

Nuptial vows were solemnized recently for Betty Jean Hutchison, daughter of Mr. and Mrs. J. C. Hutchison, and Erit Daniel Fry, son of Mr. and Mrs. R. E. Fry of Clayton, N. M.

The double-ring ceremony was read in the home of Mr. and Mrs. Jack Buntin, 2715 Dale, Amarillo, by N. McKay, minister, Church of Christ Bible chair at West Texas State College.

Arrangements of white gladioli, stock and lemon leaves formed an improvised altar in front of the fireplace. Traditional wedding music was played throughout the service.

Given in marriage by her father, the bride was attired in a street-length dress of navy shantung, complemented with white accessories. She carried a white Bible topped with white feathered carnations.

As her sister's matron-of-honor, Mrs. Roland Hicks wore a pink linen dress and a corsage of white carnations. Harold Cooley was best man.

Following the ceremony, the bridal party was feted at a reception. Assisting with the serving were Mrs. Frank Ham and Mrs. T. J. Buntin of Amarillo, Mrs. James Bates of Dimmitt and Mrs. Roland Hicks.

Mrs. Fry was graduated from Canyon High School and West Texas State College. She will teach in the Tulia public school this fall. The bridegroom, a graduate of Canyon High School, is a junior student at WTSC. The couple is at home in Canyon.

Mr. and Mrs. John P. Taylor, Linda and Huella are vacationing this week in San Antonio and points in East Texas.

Mr. and Mrs. Edward Lehnick of Friona visited his parents, Mr. and Mrs. Ray Fullerton, Monday night. Mr. Lehnick will be assistant football coach at Lefors next year.

Living on Second Avenue

Norman Pray, young son, center, interrupts a game of baseball to have his picture taken with his little brother, Raymond, his mother and father, Chief of Police Ralph Pray. What position do you play Norman? "Baseball," he said.

* * * *

Ralph Pray, Wife and Sons Find Life Quiet in Canyon

What is it like to be a policeman's wife? "It's not quite as bad as being a doctor's wife," said Mrs. Ralph Pray, wife of Canyon's Chief of Police. Mrs. Pray can share the feelings of doctors' wives and wives whose husbands' occupations can call them on the job day or night.

The Pray family, which includes two sons, Norman, 6, and Raymond, 1, moved here the last of May and are now living at 2609 Second Avenue. They formerly lived at Third and Georgia in Amarillo, where he was a member of the Amarillo Police Department.

One of the big differences between here and Amarillo that the Prays have discovered is the quietness. In Amarillo Mrs. Pray said they were used to the constant noise of traffic, but here it's all quiet.

The Prays sat in their living room recently in the late afternoon after dinner, and it was quiet except for the sound of a neighborhood baseball game which finally was too enticing for Norman and he ran to join the group. Raymond was having the time of his life crawling, balancing himself upright against the coffee table, reaching for all those shiny articles on the chairs and tables, and stopping every now and then to give his best grin to visitors.

"Raymond likes it here," says Mrs. Pray. There is a lot more room here than they had in Amarillo, and he thinks it's wonderful to crawl around in.

Besides baseball, Norman likes to draw and is unusually good for his age. He is really looking forward to entering school which has seemed a long way off because his birthday doesn't come until November.

Mr. and Mrs. Pray have been married seven years. Her hometown is Lockney, and he hails from Clayton, N. M. Mrs. Pray is a registered nurse, and worked for Dr. Edward F. Thomas, Amarillo bone and foot specialist, as a surgical nurse. She received her R.N. at Brady Sanatorium. "I love my work, but it's so hard to practice, especially with young children," she said. Like any mother she wants and feels a need for being with her children.

After Raymond was born she tried to resume work, but leaving the children at a nursery school resulted in one boy catching measles and one catching chicken pox. Then when they each got over their diseases they traded. Between housekeeper and baby-sitting bills it just really doesn't pay right now.

Television serves as a good pastime, but is no problem as far as the children are concerned, the Prays said. At first Norman was enchanted with it and wanted to watch all day, but now he only watches favorite programs.

The Pray family thinks they will like it here—schools, lots of other neighborhood children and a big backyard are all fine. And by the way, anybody need a refrigerator and stove?

Cooper Attends Fashion Meet

Marie Cooper recently attended the convention of the National Hairdressers and Cosmetologists Association at the Statler Hilton in Dallas.

She participated July 15 in a workshop for the new Bouffantasie hairstyle which was presented the following week to the cosmetologists. This is the new coiffure that accents width instead of length, and will be fashionable during the fall and winter seasons. Clothes, hats and hair shade fashions were also on the agenda of the convention.

Marie has also begun conducting classes in hairstyling and hair shaping. She has held classes in Plainview and Lockney, and later plans to conduct in Lubbock, Kansas and Colorado.

Swimming Meet Scheduled Sept. 8

The annual Llano Estacado Council swimming meet will be held Sept. 8 at Camp Don Harrington with two sections, one for Boy Scouts and one for Explorer Scouts.

The meet was won in both 1954 and 1955 by Troop 66 of Canyon.

Plaques will be presented to the winner of first place in both sections of the meet. In addition, a plaque will be presented to the high point scout of the diving contest and another to the high point scout of the entire swimming meet.

Palo Duro Studies Kitchen Cleaning

The Palo Duro Home Demonstration Club met with Phyllis Dugan July 24. The meeting was opened with group singing. During the business meeting Annelle Dugan was selected as candidate for the Farm Bureau Queen. Mrs. Anna Miller will give a baking demonstration in her home this fall.

Mrs. Mona Hildreth was in charge of the program on care of the kitchen cleaning equipment. She showed samples of products on the market to keep cooking utensils, stoves, refrigerators, silverware, etc., cleaned properly.

Angel food cake topped with strawberries and whipped cream was served to Mrs. Susie Canatser, Mrs. Ida Dugan, Mrs. Louise Dawson, Mrs. June Dugan, Mrs. Oma Lee Lowery, Mrs. Anna Miller, Mrs. Helen Reynolds, Mrs. Margaret Wilkinson, Mrs. Lou Reynolds, Mrs. Hildreth and Alice Todd.

Mr. and Mrs. G. C. Cole, their nephew and niece, James Cole and Mrs. Levi Cole, attended the funeral of their brother and uncle, Jesse R. Cole, in Lockney Friday afternoon. Mr. Cole lived in the Jowell community in the late '20s.

A civilized man does not expect special favors because of birth, fortune or position.

Party Given for Mary Wheelock

Mary Ann Wheelock celebrated her 10th birthday on Saturday, July 28, with a party at her home, 2621 Fourth Avenue. John Robert Wheelock was master of ceremonies in the game of Truth or Consequences. Junior olympics were afterward held in the backyard.

Refreshments were served to Reggie Reeves, Claiborn Crain, Layne Cosby, Sharon Enlow, Grace Williams, Audrey Teague, Judy Stevenson, Ethel Johnson, Jan Jennings and the honoree. Arthur Haley sent a gift but was unable to attend.

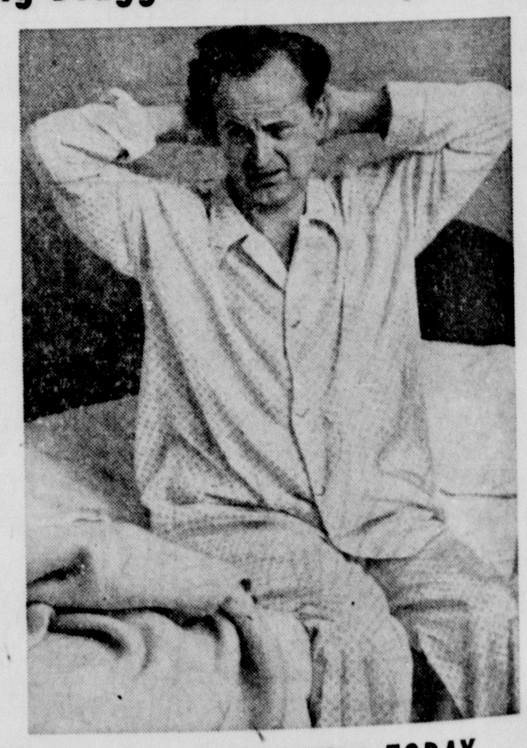
TIRED 'TIL IT HURTS?

Just 6¢ a Day Can Help Build Rich, Red Blood ...Save You From Being Dragged Out...Easy Prey to Minor Ills!*

Nutritional experts reveal vitamin losses in cooked foods plus faulty diet may be seriously undermining your energy, strength, and resistance, making you feel on edge—affecting your appetite—spoiling your sleep—*because your body is vitamin and iron starved.*

*These symptoms if due to a vitamin deficiency occur only when daily intake of vitamins B1, B2, and niacin is less than minimum daily requirements over a prolonged period. In themselves, they do not prove a dietary deficiency as they may have other causes or be due to functional conditions.



WHY VITAMINS DESTROYED IN COOKING FOOD MUST BE REPLACED.

Do you know that all of *25%* of the total Thiamin (vitamin "B") content in potatoes can be destroyed by cooking—*30%* in leafy green and yellow vegetables—and *25%* in lean meats, poultry and fish! Other essential nutritional factors such as Niacin, Riboflavin, and Ascorbic Acid may also be adversely affected in cooked foods. And these figures are tabulations from foods cooked under average methods! Just think what happens when you eat overcooked foods—warmed up left-overs—or foods from steam tables in cafeterias! These are powerful reasons why your entire system may be vitamin starved.

How You Can Stop Chronic Vitamin & Iron Starvation TODAY...

FEEL LIKE A NEW PERSON!

Supplement your diet every day with just one High-Potency Bexel Capsule. Just one of these wonderfully strengthening capsules give you the full vitamin and iron content nature provided in the following groups of foods *before cooking:*

1 quart of pasteurized milk
4 oz. of fresh orange juice
½ lb. of lean bacon
1 lb. of lean pork
½ lb. of ham
1 lb. of beets
½ lb. of veal chops
¼ lb. of butter
½ lb. of green string beans
